The Units and Common Elements are hereby declared to be subject to the restrictions, easements, conditions and covenants contained in this Declaration of Condominium governing the use of the Units and Common Elements and prescribing the obligations and responsibilities incident to ownership of each Unit and its appurtenant Limited Common Elements and undivided interest in Common Elements.

2. **NAME - PLAN OF DEVELOPMENT.** The Declarant has or will construct eight (8) buildings (individually, a "Building" and collectively, the "Buildings") containing three (3) residential condominium units each, for a total of twenty-four (24) residential condominium units and associated improvements (individually, a "Unit" and collectively, the "Units"). **5. CONDOMINIUM UNITS, BOUNDARIES, AND APPURTENANCES.** Each Unit and its appurtenances (including an undivided interest in the Common Elements and any right to use any Limited Common Elements) constitute a separate parcel of real property that may be owned in fee simple. The Unit may be conveyed, transferred, and encumbered like any other parcel of real property, independently of all other parts of the Condominium Property, subject only to the provisions of the Condominium Documents and applicable laws.

5.1. **SURVEY AND PLOT PLAN.** Attached to this Declaration as Exhibit B is a survey of the land, a graphic description of the improvements and a plot plan of the Condominium. Exhibit B identifies the twenty-four (24) Units in the Condominium, the eight (8) Buildings, the Common Elements, the Limited Common Elements and their relative locations and approximate dimensions.

5.2. **UNIT IDENTIFICATION.** Each Unit and Building is separately identified by a number as shown on the Condominium Plot Plan attached to this Declaration as Exhibit B. The first digit of a three digit Unit number and the first and second digits of a four digit Unit number represent the number of the Building in which the Unit is located. The last digit of a Unit number represents the floor level of the Unit (there being only one Unit per floor in each Building). For example, Unit 1403 is the Unit located on the third floor of Building 14. In certain instances, Units may be referred to as, or bear the designation of, either Type "01," Type "02," or Type "03" Units; Type "01" refers to a Unit located on the first floor of a Building, Type "02" refers to a Unit located on the second floor of a Building and Type "03" refers to a Unit located on the third floor of a Building. If more than one Unit in the Building is acquired by the same Owner and such Units are contiguous to one another and such Owner desires to combine such Units into a single Unit, the approval of such Owner, the Owner of the Units to be combined, the record owner(s) of liens on the Units to be combined and the members of the Association owning not less than seventy-five percent (75%) of the Units shall be required prior to such a modification; provided, however, that so long as the Declarant shall own any Unit, approval of the record owner of liens on the Declarant owned Units and the members of the Association owning fifty-one percent (51%) or more of the Units shall be required prior to such modification.

5.3. **NO SUBDIVISION OF UNIT.** Except as expressly stated to the contrary in this Declaration, no Unit may be divided or subdivided, nor in any manner made into a smaller Unit than that Unit as shown on Exhibit B.

5.4. **NO SEPARATION OF COMMON ELEMENTS OR LIMITED COMMON ELEMENTS.** Neither any undivided interest in the Common Elements declared to be an appurtenance to a Unit or Units nor the use of any parcel of Limited Common Elements, may be transferred, conveyed, devised or encumbered separately from the Unit(s) to which it is appurtenant.

5.5. CONVEYANCE ETC. OF UNIT. The transfer, conveyance, devise or encumbrance of a Unit shall be deemed to include in the transfer, conveyance, devise or encumbrance, the (a) undivided interest in the Common Elements and the Common Surplus appurtenant to the Unit, (b) the use rights in any Limited Common Elements appurtenant to the Unit, even though such undivided interest in Common Elements or rights in any parcel of Limited Common Elements are not expressly described in the instrument conveying, devising or encumbering the Unit, (c) an exclusive easement for the use of the airspace occupied by the Unit as it exists at any particular time and as the Unit may lawfully be altered or reconstructed from time-to-time, (d) membership in the Association with the full voting rights appurtenant thereto, and (e) other appurtenances as may be provided by this Declaration. Any instrument purporting to transfer, convey or encumber any Unit or its appurtenant interest in Common Elements or appurtenant rights in any parcel of Limited Common Elements separately or otherwise than as a unitary Condominium Parcel shall be null and void insofar as it purports to affect any interest in the Unit and its appurtenant undivided interest in Common Elements and any appurtenant Limited Common Element. Any instrument transferring, conveying, devising, encumbering or otherwise dealing with any Unit which describes said Unit by its designation assigned in Exhibit B without limitation or exception, shall affect the entire Unit and its appurtenant undivided interest in Common Elements and appurtenant rights in any Limited Common Elements. Nothing contained in the Condominium Documents shall be construed as prohibiting ownership of any Unit and its appurtenant undivided interest in Common Elements and any appurtenant Limited Common Elements by more than one person or entity as tenants in common, joint tenants or as tenants by the entireties.

5.6. BOUNDARIES. Each Unit shall include that part of the Building containing the Unit that lies within the boundaries as defined below. The boundaries may exist now or may be created by construction, settlement, or movement of the Building; or by permissible repairs, reconstruction, or alterations.

5.6.1. UPPER AND LOWER BOUNDARIES. The upper and lower boundaries of each Unit will be:

5.6.2. UPPER BOUNDARY. The horizontal plane of the unfinished lower surface of the ceiling of the Unit, extended to meet the perimeter boundaries.

5.6.3. LOWER BOUNDARY. The horizontal plane of the unfinished upper surface of the floor of the Unit, extended to meet the perimeter boundaries.

5.6.4. PERIMETER BOUNDARIES. The perimeter boundaries of the Unit shall be the vertical planes of the unfinished interior surfaces of the drywall walls bounding the Unit extended to their planar intersections with each other and with the upper and lower boundaries as shown on the Condominium Plot Plan attached as Exhibit B to this Declaration.

5.6.5. APERTURES. Where there are apertures in any boundary, including, but not limited to, windows, doors, bay windows and skylights, such boundaries shall be extended to include the windows, doors, skylights and other fixtures located in such apertures, including all frameworks, window casings and weather stripping thereof, together with exterior surfaces made of glass or other transparent materials.

5.6.6. EXCEPTIONS. In cases not specifically covered above, and/or in any case of conflict or ambiguity, the Condominium Plot Plan of the Units set forth as Exhibit "B" to this Declaration shall control in determining the boundaries of a Unit, except that the provisions of Section 5.6.3 above shall control unless specifically depicted and labeled otherwise on such survey.

5.6.7. AIR CONDITIONING EQUIPMENT AND WATER HEATERS. Air conditioning equipment and water heaters, if any, serving a particular Unit and no others and installed on any part of the Common Elements shall be a part of the Unit which that equipment serves.

5.7. EXCLUSIVE USE. Each Unit Owner will have the exclusive use of such Unit Owner's Unit.

5.8. OWNERSHIP. The ownership of each Unit will carry with it, as appropriate, and whether or not separately described, all of the rights, title, and interest of a Unit Owner in the Condominium Property which will include, but not be limited to:

5.8.1. An undivided share of ownership of the Common Elements and Common Surplus.

5.8.2. Either the exclusive use or use in common with one or more other designated Units of the Limited Common Elements that may exist.

5.8.3. Membership in the Association and voting rights.

5.8.4. An exclusive easement for the use of the air space occupied by the Unit as it exists at any particular time and as the Unit may be lawfully altered or reconstructed from time to time. The easement will be terminated automatically in any air space that is vacated from time to time.

5.9. EASEMENTS. Each of the following easements is a covenant running with the land as to the Condominium.

5.9.1. UTILITIES. Declarant hereby reserves unto itself and its successors and assigns, and grants to the respective utility providers and their successors and assigns, non-exclusive easements under, through and over the Condominium and the Property as may be required from time to time for the construction, use and maintenance of all utilities (whether public or private), cable television, communications, security systems and other services as may be required to serve the Condominium; provided, however, that these easements shall not materially and adversely interfere, on a permanent basis, with the residential use of the Units. Declarant also hereby reserves unto itself and its successors and assigns, and grants to the Association (with the power to assign), a non-exclusive easement over and across the Common Elements for the purpose of providing drainage and for the installation, operation, use and maintenance of drainage facilities; provided, however, that the Association shall be responsible for the continuous maintenance of the easements of the drainage system located on any and all portions of the Condominium Property. The Association shall have a right of access during reasonable hours to each Unit to maintain, repair or replace any elements providing such services

and to remove any improvements interfering with such facilities; provided that, except in the case of emergencies, entry shall not be made without reasonable notice (one (1) day's notice or attempted notice shall be deemed reasonable, except that notice shall not be required if the Unit Owner is absent when the giving of notice is attempted). A Unit Owner shall do nothing within or outside the Unit Owner's Unit that interferes or impairs, or may interfere or impair, the provision of such utility, cable television, communications and security systems and other services and drainage facilities or the use of these easements.

5.9.2. TRAFFIC. Declarant hereby reserves unto itself and its successors and assigns, and grants to the Association and each Unit Owner, resident and Guest, a non-exclusive easement for pedestrian traffic over, through and across sidewalks, streets, driveways, paths, walks, hallways, lobbies, elevators and other portions of the Common Elements as may be from time to time intended and designated for such use and for vehicular and pedestrian traffic over, through and across, and parking on, such portions of the Common Elements as may, from time to time be paved and intended for such purposes. No such easement shall be encumbered by any leasehold or lien other than those on Units and any such lien automatically shall be subordinate to the rights of Unit Owners and the Association with respect to such easements.

5.9.3. SUPPORT. An easement is granted and reserved in every portion of a Unit and the Common Elements contributing to the support of the Building structures or any part thereof for the benefit of all Units and the Common Elements so supported.

5.9.4. PERPETUAL NON-EXCLUSIVE EASEMENT IN COMMON ELEMENTS. Declarant hereby reserves unto itself and its successors and assigns, and grants to the Association, its successors and assigns, a perpetual, non-exclusive easement in the Common Elements for all proper and normal purposes, and for the furnishing of services and facilities for which the same are reasonably intended. An easement appurtenant to each Unit is granted and reserved over such portions of the Common Elements as shall be reasonably required to gain access to air conditioning equipment serving that Unit for the purpose of servicing, maintaining and repairing the equipment.

5.9.5. ENCROACHMENTS. If (a) any portion of the Common Elements encroaches upon any Unit (or Limited Common Element appurtenant thereto); (b) any Unit (or Limited Common Element appurtenant thereto) encroaches upon any other Unit (or Limited Common Element appurtenant thereto) or upon any portion of the Common Elements; (c) any encroachment shall hereafter occur as a result of (i) construction of the Buildings and other Common Elements; (ii) settling or shifting of the Buildings or other Common Elements; (iii) any alteration or repair to the Common Elements made by or with the consent of the Association or the Declarant, as appropriate, or (iv) any repair or restoration of the improvements to the Condominium (or any portion thereof) or any Unit after damage by fire or other casualty or any taking by condemnation or eminent domain proceedings of all or any portion of any Unit or the Common Elements, then, in any such event, a valid easement shall exist for such encroachment and for the maintenance of same so long as the improvements to the Condominium shall stand.

5.9.6. CONSTRUCTION; MAINTENANCE. The Declarant (including its affiliates and its and their respective designees, contractors, successors and assigns) shall have the right, in its (and their) sole discretion from time to time, to enter the Condominium Property

and take all other action necessary or convenient for the purpose of completing the construction of the Condominium, or any part thereof, or any improvements, structures, facilities and/or Units located or to be located on the Condominium Property, and/or any improvements to be located adjacent thereto, and for repair, replacement and maintenance for warranty purposes where the Declarant, in its sole discretion, determines that it is required or desires to do so.

5.9.7. SALES ACTIVITY. For as long as there are any Units owned or leased by the Declarant and/or the Declarant (or an affiliate) is marketing Units for sale or lease, the Declarant, for itself and its designees, successors and assigns, shall have the right to use any Unit (or Units leased by the Declarant or its designee) and parts of the Common Elements or Condominium Property for guest accommodations, model apartments and sales, construction, leasing, administration and development offices or sales centers, to show model Units and the Common Elements to prospective purchasers and tenants of Units or improvements to be constructed thereon, and to erect on the Condominium Property signs and other promotional material to advertise Units or other portions of Hammock Dunes for sale or lease.

5.9.8. DECLARANT ACTIVITIES. The Declarant, for itself, its affiliates and its and their respective successors and assigns: (i) reserves easements over the Condominium Property as the Declarant in its sole discretion deems necessary to commence, complete, operate, maintain, repair and replace the Buildings, any facilities or improvements relating to the Neighborhood and/or the Neighborhood Condominiums and any other future developments within the Neighborhood and/or Hammock Dunes; and (ii) reserves the right to temporarily prohibit access to any portion of the Common Elements or uncompleted Units to any of the Occupants, and to utilize portions of the Common Elements in connection with the construction and development of the Buildings, the facilities and improvements relating to the Neighborhood and the Neighborhood Condominiums and any other future developments within the Neighborhood and/or Hammock Dunes. THERE MAY BE CONSTRUCTION RELATED NOISES AND OTHER INTERRUPTIONS DURING THE CONSTRUCTION OF THE BUILDINGS, THE FACILITIES AND IMPROVEMENTS OF THE NEIGHBORHOOD AND NEIGHBORHOOD CONDOMINIUMS AND ANY OTHER BUILDINGS AND IMPROVEMENTS THAT MAY BE DEVELOPED FROM TIME TO TIME WITHIN THE NEIGHBORHOOD AND ELSEWHERE WITHIN HAMMOCK DUNES. NO UNIT OWNER OR SUCH UNIT OWNER'S GUESTS OR INVITEES SHALL IN ANY MANNER INTERFERE WITH ANY SUCH CONSTRUCTION. BY THE ACCEPTANCE OF THEIR DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE CONDOMINIUM PROPERTY, EACH SUCH OWNER, OCCUPANT AND USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES (I) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES, UNDER THIS DECLARATION OR AT LAW GENERALLY, (II) NOT TO ENTER UPON, OR ALLOW THEIR CHILDREN OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY PROPERTY WITHIN OR IN PROXIMITY TO AREA WHERE SUCH ACTIVITY IS BEING CONDUCTED (EVEN IF NOT BEING ACTIVELY CONDUCTED AT THE TIME OF ENTRY, SUCH AS AT NIGHT OR OTHERWISE DURING NON-WORKING HOURS), (III) THE DECLARANT AND THE OTHER AFORESAID RELATED PARTIES SHALL NOT BE LIABLE FOR ANY AND ALL LOSSES, DAMAGES (COMPENSATORY,

CONSEQUENTIAL, PUNITIVE OR OTHERWISE) INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES, EXCEPT RESULTING DIRECTLY FROM THE DECLARANT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AND (IV) ANY PURCHASE OR USE OF ANY UNIT HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING.

5.9.9. CONDOMINIUM ASSOCIATION EASEMENTS. A perpetual, non-exclusive easement is hereby granted to the Association to enter onto the Condominium Property, for the purpose of performing such functions as are permitted or required to be performed by the Association in connection with its duties. Such easement shall permit access to the Units provided that, except in the case of emergencies, entry shall not be made without reasonable notice (one (1) day's notice or attempted notice shall be deemed reasonable, except that notice shall not be required if the Unit Owner is absent when the giving of notice is attempted).

5.9.10. ELEVATOR VESTIBULES. Each Unit Owner (and their guests, tenants and invitees) of a Unit on the second and third floors of each Building (the "Type "02" and Type "03" Units) shall have a right of access through the elevator vestibules located within the Type "02" and the Type "03" Units as is reasonably necessary to afford emergency ingress and egress between the elevators and the common corridors and fire stairwells. Further, the Association (and its and their agents, employees, contractors and assigns) shall have the right, in its sole discretion from time to time, to enter into any such elevator vestibule as is necessary to repair, replace, inspect, maintain and/or alter any mechanical equipment and/or elevator equipment reasonably accessible therefrom; provided that, except in the case of emergencies, entry shall not be made without reasonable notice (one (1) day's notice or attempted notice shall be deemed reasonable, except that notice shall not be required if the Unit Owner is absent when the giving of notice is attempted). Pursuant to local fire safety regulations, the Unit Owners of Units located on the second and third floors of each Building (the Type "02" and Type "03" Units) shall not, without first obtaining the prior approval of the Board of Directors and any necessary approvals and permits from applicable government entities: (i) remove, alter, seal, block or cover the entrance door of the Unit between the elevator vestibule of the Unit and the common corridor; (ii) change (except for re-keying, in which event the Unit Owner shall provide the Association with a copy of the new keys upon or before such re-keying) or remove the locks or other door hardware of such entrance door or otherwise place additional locks or other door hardware upon such entrance door; or (iii) take any action or cause any action to be taken or place any barrier within the elevator vestibule, including, but not limited to, personalty, that may obstruct, impede or otherwise interfere with the free movement and access to and from the elevators, the elevator vestibules and the common corridors and fire stairwells.

5.9.11. WARRANTY. For as long as the Declarant remains liable under any warranty, whether statutory, express or implied, for any act or omission of the Declarant (its agents, contractors or designees) in the development, construction, sale and marketing of the Condominium, then the Declarant and its contractors, agents and designees shall have the right, in the Declarant's sole discretion and from time to time and without requiring the prior approval of the Association and/or any Unit Owner (provided, however, that absent an emergency situation, the Declarant shall provide reasonable advance notice), to enter the Condominium Property, including, without limitation, the Units, the Common Elements and the Limited

Common Elements, for the purpose of inspecting, testing and surveying same to determine the need for repairs, improvements and/or replacements, and effecting same, so that the Declarant can fulfill any of its warranty obligations. Failure of the Association or any Unit Owner to grant such access may, at the election of the Declarant, result in the appropriate warranty being nullified and of no further force or effect. Nothing herein shall be deemed or construed as the Declarant making or offering any warranty, all of which are disclaimed (except to the extent same may not be) as set forth in Section 23.

5.9.12. OTHER ASSOCIATION EASEMENTS. Declarant grants to the Neighborhood Association and the Master Association a non-exclusive easement to enter the Common Elements for the purpose of performing such functions, if any, as are permitted or required to be performed by the Neighborhood Association and/or the Master Association in connection with their respective duties and obligation under the Neighborhood Declaration and the Master Declaration.

5.9.13. EXTERIOR MAINTENANCE/WINDOW WASHING. An easement is hereby reserved on, through and across each Unit and all Limited Common Elements appurtenant thereto in order to afford access to the Association (and its contractors) to stage window washing equipment and to perform window washing and/or any other exterior maintenance and/or painting of the Buildings. However, this creates no obligation to do so.

5.9.14. ADDITIONAL EASEMENTS. The Association, through its Board of Directors, on the Association's behalf and on behalf of all Unit Owners (each of whom hereby appoints the Association as its attorney-in-fact for this purpose), shall have the right to grant such additional general ("blanket") and specific electric, gas, other utility, cable television, security systems, communications or service easements (and appropriate bills of sale for equipment, conduits, pipes, lines and similar installations pertaining thereto), or modify or relocate any such existing easements or drainage facilities in any portion of the Condominium Property, and to grant access easements or relocate any existing access easements in any portion of the Condominium Property, as the Board shall deem necessary or desirable for the proper operation and maintenance of the improvements, or any portion thereof, for the general health and welfare of the Unit Owners or for the purpose of carrying out any provisions of this Declaration; provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the reasonable use of the Units for dwelling purposes.

5.9.15. DUNES COMMUNITY DEVELOPMENT DISTRICT. A uniform community development district pursuant to Chapter 190, Florida Statutes, has been established known as the Dunes Community Development District (the "DCDD") to administer a portion of Hammock Dunes, including the Condominium. The DCDD will provide certain urban infrastructure facilities and services, and the DCDD will have the authority to levy and collect fees, rates, charges, taxes and assessments to pay for, finance and provide such services. The DCDD will impose taxes and/or assessments on the Condominium Property through a special taxing district. These taxes pay the construction, operation and/or maintenance costs of certain public facilities within the DCDD and are set annually by the governing board of the DCDD. These taxes and assessments are in addition to county and all other taxes and assessments provided by law. The DCDD shall have the power to issue any types of bonds permitted by Chapter 190, Florida Statutes.

Each Unit Owner agrees, by acceptance of a deed or other instrument conveying title to a Unit, to pay any and all fees, rates, charges, taxes and assessments imposed by the DCDD, with respect to his, her or its Unit, and to abide by all of the rules and regulations of the DCDD, as they may be amended from time to time.

These fees, rates, charges, taxes and assessments will either appear on the annual real estate tax bill for each unit as a separate and distinct tax payable directly to the Flagler County Tax Collector or will appear on a separate bill issued to each owner by the DCDD. All taxes of the DCDD constitute a lien on the unit.

Declarant makes no warranty or representation regarding the DCDD.

5.9.16. BENEFICIARIES. The easements reserved and granted in this Section 5 shall be covenants running with the land for the benefit and in favor of the Unit Owners, the Declarant and the Association, as applicable, and their successors, assigns, agents, employees, guests, licensees and invitees for all proper purposes, and providers of utility services, cable television, communications, security systems and other services and drainage, as may be required or helpful to serve the Units, Common Elements and Limited Common Elements subject to the provisions of this Declaration of Condominium and rules and regulations of the Condominium. However, nothing in this Section 5.9 shall constitute any party a beneficiary of any easement in Limited Common Elements for any purpose reserved to the use of a particular Unit or Units, except for the Unit Owner or Unit Owners of that Unit or those Units and the invitees of the Unit Owner or Unit Owners.

5.10. LIMITED COMMON ELEMENTS. Each Unit may have, to the extent applicable and subject to the provisions of this Declaration, as Limited Common Elements appurtenant thereto:

5.10.1. First Floor Units (Type "01"). The Limited Common Elements appurtenant to the Type "01" Units are: (i) the exterior entry area contiguous to the Unit, (ii) the lanai terrace contiguous to the Unit; (iii) the two (2) car garage designed for the Unit as shown on the Condominium Plot Plan, the equipment room and storage room adjacent to such garage and the paved driveway leading exclusively to such garage; (iv) the common paved driveway leading to both the Building in which the Unit is located and the adjacent Building (for use in common with the other Units in the Building in which the Unit is located and the Units in the adjacent Building ); and (v) any other areas designated as Limited Common Elements for the Type "01" Units on the Condominium Plot Plan, all as graphically depicted on the Condominium Plot Plan.

5.10.2. Second Floor Units (Type "02"). The Limited Common Elements appurtenant to the Type "02" Units are: (i) the Elevator Facilities in the Building in which the Unit is located (for use in common with the Type "03" Unit), (ii) the lanai terraces and sun deck contiguous to the Unit, (iii) the corridor and equipment room located on the second floor of the Building in which the Unit is located; (iv) the two (2) car garage designed for the Unit as shown on the Condominium Plot Plan and the paved driveway leading exclusively to such garage, (v) the common paved driveway leading to both the Building in which the Unit is located and the adjacent Building (for use in common with the other Units in the Building in which the Unit is

located and the Units in the adjacent Building ); and (vi) any other areas designated as Limited Common Elements of the Type "02" Units on the Condominium Plot Plan, all as graphically depicted on the Condominium Plot Plan.

5.10.3. Third Floor Units (Type "03"). The Limited Common Elements appurtenant to the Type "03" Units are: (i) the Elevator Facilities in the Building in which the Unit is located (for use in common with the Type "02" Unit); (ii) the lanai terraces contiguous to the Unit; (iii) the corridor and equipment room located on the third floor of the Building in which the Unit is located; (iv) the two (2) car garage designed for the Unit as shown on the Condominium Plot Plan and the paved driveway leading exclusively to such garage; (v) the common paved driveway leading to both the Building in which the Unit is located and the adjacent Building (for use in common with the other Units in the Building in which the Unit is located and the Units in the adjacent Building ); and (vi) any other areas designated as Limited Common Elements of the Type "03" Units on the Condominium Plot Plan, all as graphically depicted on the Condominium Plot Plan.

5.10.4. EXCLUSIVE USE AND TRANSFER OF LIMITED COMMON ELEMENTS. If, after all of the Units have been sold by the Declarant, the exclusive use of any Limited Common Element applicable to a Unit was not, for any reason, assigned to the use of a specific Unit(s) by the Declarant, the Association may do so. The right of exclusive use of each Limited Common Element passes with the Unit to which it is assigned, whether or not separately described, and cannot be separated from it.

5.11. USE OF LIMITED COMMON ELEMENTS. The use and enjoyment of the Limited Common Elements shall be in accordance with the terms and provisions of this Declaration, including, without limitation, the restrictions provided in this Section 5 and Section 15 of this Declaration, and the other Condominium Documents.

## **6. COMMON ELEMENTS AND COMMON SURPLUS; VOTING RIGHTS.**

6.1. SHARE OF. The Common Elements and the Common Surplus are owned by the Unit Owners in equal undivided fractional shares, with each Unit having one fractional share (the numerator of each fractional share being 1 and the denominator being the total number of Units in the Condominium).

6.2. USE. Each Unit Owner and the Association will be entitled to use the Common Elements in accordance with the purposes for which the elements are intended; however, no such use may hinder or encroach upon the lawful rights of other Unit Owners.

6.3. VOTING. Each Unit shall have one full indivisible vote in all matters.

## 7. MAINTENANCE.

The responsibility for protection, maintenance, repair and replacement of the Condominium Property, and restrictions on its alteration and improvement shall be as follows:

7.1. UNITS. Each Unit Owner is responsible, at such Unit Owner's own expense, for all maintenance, repairs, and replacements of the Unit Owner's Unit, and the fixtures, equipment and appliances comprising a part thereof, located therein or exclusively serving the same (but not otherwise including Limited Common Elements except where expressly so indicated in this Section 7). Each Unit Owner is responsible for all decorating within such Unit Owner's Unit, including painting, wallpapering, paneling, floor covering, draperies, window shades, curtains, lamps and other light fixtures, and other furnishings and interior decorating. Any emergency maintenance, repairs and/or replacements for which Unit Owners are responsible and obligated to perform, which, if not performed or omitted, would affect other Units or Common Elements, shall be performed promptly as the need arises, and if Unit Owner(s) fails to promptly perform these, the Association shall have the right to perform these obligations. Notwithstanding the obligation of Unit Owners for maintenance, repair or replacement of and in Units, the proceeds of all insurance awards or payments under insurance carried by the Association for loss of, or damage to Units shall be applied against repairs and replacements to the extent that such award or payments exceed the deductible provisions of such insurance.

7.2. COMMON ELEMENTS AND ASSOCIATION PROPERTY. The Association is responsible for the protection, maintenance, repair and replacement of all Common Elements and Association Property (other than those Limited Common Elements that are required in this Section 7 to be maintained by the Unit Owner). The costs of maintaining the Common Elements and the Association Property shall be Common Expenses. All incidental damage caused to a Unit or Limited Common Elements by work performed or ordered to be performed by the Association shall be promptly repaired by and at the expense of the Association, which shall restore the property as nearly as practical to its condition before the damage, and the cost of such repair shall be a Common Expense, except the Association shall not be responsible for the damage to any alteration or addition to the Common Elements made by a Unit Owner or his predecessor in title or for damage to paint, wallpaper, paneling, flooring or carpet which, of necessity, must be cut or removed to gain access to work areas located behind them.

7.3. LIMITED COMMON ELEMENTS. The Association is responsible for the protection, maintenance, repair and replacement of all Limited Common Elements, except as provided in this Section 7.3 as follows:

7.3.1. TERRACES. Where a Limited Common Element consists of a terrace, the Unit Owner who has the right of exclusive use of the area shall be responsible, at such Unit Owner's sole cost and expense, for: (i) the day-to-day cleaning and care of the walls, floor and ceiling bounding said area, if any; (ii) the maintenance, repair and replacement of the approved pavers, tiles or other hard-surface floor covering of the terraces (provided that the Association reserves the right, but not the obligation, to maintain (other than the day to day cleaning), repair and replace the approved pavers, tiles or other hard-surface floor covering of the terraces and charge such costs as Common Expenses); (iii) the maintenance, repair and replacement of the screens, if any, covering the terraces (provided that the Association reserves the right, but not the

obligation, to maintain (other than the day to day cleaning), repair and replace the screens covering the terraces and charge such costs as Common Expenses); (iv) all fixed glass and sliding glass doors in portions of the entrance way to said terraces, if any; (v) the wiring, electrical outlet(s) and fixture(s) thereon, if any, and the replacement of light bulbs.

7.3.2. PRIVATE GARAGES. Where a Limited Common Element consists of a private parking garage, the Unit Owner who has the right of exclusive use of the private garage shall be responsible for, at such Unit Owner's sole cost and expense, the maintenance and repair of all elements of the private parking garages, except that maintenance, repair and replacement of the exterior garage doors, exterior door hardware, exterior painting and the exterior surfaces and structures of the private parking garages shall be the responsibility of the Association and shall be Common Expenses.

7.3.3. PRIVATE ELEVATORS. The Elevator Facilities in each Building are limited common elements available for the exclusive use of the Units on the second and third floors of such Building (the Type "02" and Type "03" Units). Each Unit Owner of a Type "02" and Type "03" Unit shall be responsible for the day-to-day cleaning and care of the elevator door and door casing providing entry into the Unit, but the maintenance, repair and replacement of the Elevator Facilities appurtenant to the Type "02" and Type "03" Units (including the elevator door and door casing providing entry into the Unit) shall be the responsibility of the Association and shall be Limited Common Expenses, assessed by the Association against the Type "02" and Type "03" Units in equal shares.

7.4. SERVICE AND MAINTENANCE CONTRACTS. If there shall become available to the Association: (i) a program of contract maintenance for items which are located within the Units and otherwise the responsibility of the Unit Owner, such as water heaters and/or air conditioning compressors and/or air handlers and related equipment serving individual Units; or (ii) certain contract services to be delivered within the Units for items otherwise the responsibility of the Unit Owner, such as pest control or cable television, then, the Board may, but shall not be obligated to, enter in any such contracts which the Board determines are to the benefit of the Unit Owners generally. The expenses of such contractual undertakings to the Association shall be a Common Expense. All maintenance, repairs and replacements not covered by the contracts shall remain the responsibility of the Unit Owner. Since such expenses shall constitute Common Expenses, an election by a Unit Owner not to take advantage of the services or maintenance provided by such contracts, shall not excuse the Unit Owner from paying his share of the cost.

## **8. ALTERATIONS, ADDITIONS AND IMPROVEMENTS.**

8.1. ALTERATIONS, ADDITIONS. Except for changes made by a Unit Owner with Association approval as provided in this Section 8, whenever in the judgment of the Board of Directors, the Common Elements, the Association Property, or any part of either, shall require capital additions, alterations or improvements (as distinguished from repairs and replacements) costing in excess of three percent (3%) of the then applicable budget of the Association in the aggregate in any calendar year, the Association may proceed with such additions, alterations or improvements only if the making of such additions, alterations or improvements shall have been approved by a majority of the Voting Interests represented at a meeting at which a quorum is

attained. Any such additions, alterations or improvements to such Common Elements, the Association Property, or any part of either, costing in the aggregate of up to three percent (3%) of the then applicable budget of the Association or less may be made by the Association without approval of the Unit Owners. Subject to compliance with the provisions of Section 718.112(2)(e) of the Condominium Act, the cost and expense of any such additions, alterations or improvements to such Common Elements or Association Property shall constitute a part of the Common Expenses and shall be assessed to the Unit Owners as Common Expenses. For purposes of this section, "aggregate in any calendar year" shall include the total debt incurred in that year, if such debt is incurred to perform the above-stated purposes, regardless of whether the repayment of any part of that debt is required to be made beyond that year. All additions, alterations and improvements proposed to be made by the Association shall be subject to, and restricted by, the terms and conditions of the Neighborhood Declaration and the Master Declaration. The Board of Directors may lease or grant easements or licenses for the use of Common Elements or Condominium Property if such use will benefit the members of the Association and may charge for such use.

8.2. IMPROVEMENTS, ADDITIONS OR ALTERATIONS BY UNIT OWNERS. No Unit Owner shall make any addition, alteration or improvement in or to the Common Elements or the Association Property, nor any structural addition, alteration or improvement in or to the Unit Owner's Unit or any Limited Common Element, nor any addition, alteration or improvement to Unit or any Limited Common Element which is visible from any other Unit or the Common Elements, without, in each instance, the prior written consent of the Board of Directors. The Board shall have the obligation to answer, in writing, any written request by a Unit Owner for approval of such an addition, alteration or improvement within thirty (30) days after receipt in writing of such request and all additional information requested by the Board, and the failure to do so within the stipulated time shall constitute the Board's consent. The Board has the authority to approve, disapprove, or require, in its sole discretion, modifications to the proposed work. The Board may condition the approval in any manner, including, without limitation, retaining approval rights of the contractor, engineer and/or other professionals as a prerequisite to perform the work. The Board's decision will be determinative of the matter. Unit Owners shall obtain all necessary approvals and permits from applicable government entities, prior to making any alterations, or adding or removing such Common Elements or other improvements. All expenses of any kind (including, without limitation, attorneys' fees and costs of the Association) in connection with such work shall be borne by the Unit Owner in question, including with respect to any subsequent maintenance or restoration. No Unit Owner will do any work or cause any work to be performed that would jeopardize the safety or soundness of the Building, increase insurance requirements or premiums or impair any easements. Proposed additions, alterations and improvements by Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, and with any conditions imposed by the Association with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise. Once approved by the Board of Directors, such approval may not be revoked. The Association's rights of review and approval of plans and other submissions under this Declaration are intended solely for the benefit of the Association. Neither the Declarant, the Association nor any of its officers, directors, employees, agents, contractors, consultants or attorneys shall be liable to any Unit Owner or any other person by reason of mistake in judgment, failure to point out or correct deficiencies in any plans or other submissions, negligence, or any other misfeasance, malfeasance or non-feasance

arising out of or in connection with the approval or disapproval of any plans or submissions. Anyone submitting plans, by the submission of same, and any Unit Owner, by acquiring title to same, agrees not to seek damages from the Declarant and/or the Association arising out of the Association's review of any plans hereunder. Without limiting the generality of the foregoing, the Association shall not be responsible for reviewing, nor shall its review of any plans be deemed approval of, any plans from the standpoint of structural safety, soundness, workmanship, materials, usefulness, conformity with building or other codes or industry standards, or compliance with governmental requirements. Further, each Unit Owner (including the Unit Owner's successors and assigns) agrees to indemnify and hold the Declarant and the Association harmless from and against any and all costs, claims (whether rightfully or wrongfully asserted), damages, expenses or liabilities whatsoever (including, without limitation, reasonable attorneys' fees and court costs at all trial and appellate levels), arising out of any review of plans by the Association hereunder. All additions, alterations and improvements proposed to be made by any Unit Owner shall be subject to, and restricted by, the terms and conditions of the Neighborhood Declaration and the Master Declaration. A Unit Owner making or causing to be made any approved additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner, and his heirs, personal representatives, successors and assigns, as appropriate, to: (i) be solely financially responsible for maintenance, repair, cleaning, replacement and insurance of the modifications, installations and additions from and after the date of installation or construction thereof as may be required by the Association, the costs of repairing any damage to the Common Elements or other Units resulting from the existence of such modifications, installations or additions and the costs of removing, replacing and reinstalling such modifications if their removal by the Association becomes necessary in order to maintain, repair, replace, or protect other parts of the Condominium Property for which the Association is responsible; and (ii) hold the Association, the Declarant and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium and/or Association Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof. If any Unit Owner fails or neglects to maintain, repair, clean and replace as required by this Section 8.2, and such failure or neglect continues for fifteen (15) days after such Unit Owner's receipt of written notice of such neglect or failure from the Association, then (subject to the provisions of the Condominium Act), the Association may, but shall not be obligated to, take appropriate steps to perform, or cause to be performed, the maintenance, repair, cleaning and replacement in the manner as required by this Section 8.2. The defaulting Unit Owner shall, upon demand, reimburse the Association for all of costs and expenses incurred by the Association in the exercise of its rights pursuant to this Section 8.2. Any amounts not paid within ten (10) days from the Unit Owner's receipt of demand from the Association shall bear interest at the lesser of eighteen percent (18%) per annum or the highest rate permitted by law from the date due until paid in full.

8.3. OWNER'S CONTRACTORS; DAMAGES. Whenever a Unit Owner contracts for maintenance, repair, replacement, alteration, addition or improvement of any portion of the Unit or Common Elements, whether with or without Association approval, such Unit Owner shall be deemed to have warranted to the Association and its members that such Unit Owner's contractor(s) are properly licensed and fully insured, and that such Unit Owner will be financially responsible for any resulting damage to persons or property.

#### 8.4. IMPROVEMENTS, ADDITIONS OR ALTERATIONS BY DECLARANT.

Anything to the contrary notwithstanding, the foregoing restrictions of this Section 8 shall not apply to Declarant-owned Units. Subject to the provisions of this Section 8.4, the Declarant shall have the additional right, without the consent or approval of the Board of Directors or other Unit Owners, to make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to and upon any Unit owned by it and Limited Common Elements appurtenant thereto (including, without limitation, the removal of walls, floors, ceilings and other structural portions of the improvements), and to expand, alter or add to all or any part of the recreational facilities. Any amendment to this Declaration required by a change made by the Declarant pursuant to this Section 8.4 shall be adopted in accordance with Section 18 of this Declaration. Without limiting the generality of the provisions of this Section but subject to the provisions of this Section, the Declarant shall have the right, without the vote or consent of the Association or Unit Owners, to (a) make alterations, additions or improvements in, to and upon Units owned by the Declarant, whether structural or non-structural, interior or exterior, ordinary or extraordinary; (b) change the layout or number of rooms in any Declarant-owned Units; (c) change the size of Declarant-owned Units by combining separate Declarant-owned Units into a single apartment (although being kept as two separate legal Units), or otherwise; and (d) reapportion among the Declarant-owned Units affected by such change in size pursuant to the preceding clause, their appurtenant interests in the Common Elements and share of the Common Surplus and Common Expenses; provided, however, that the percentage interest in the respective Common Elements and share of the respective Common Surplus and respective Common Expenses of any Units (other than the affected Declarant-owned Units) shall not be changed by reason thereof unless the Owners of such Units shall consent thereto and, provided further, that Declarant shall comply with all laws, ordinances and regulations of all governmental authorities having jurisdiction in so doing. In making the above alterations, additions and improvements, the Declarant may relocate and alter Common Elements adjacent to or near such Units, incorporate portions of the Common Elements into adjacent Units and incorporate Units into adjacent Common Elements, provided that such relocation and alteration does not materially adversely affect the market value or ordinary use of Units owned by Unit Owners other than the Declarant. Any amendments to this Declaration required by changes of the Declarant made pursuant to this Section 8.4 may be effected by the Declarant alone pursuant to Section 18.2, without the vote or consent of the Association or Unit Owners (or their mortgagees) required, except to the extent that the vote or consent of the Association or the Unit Owners (or their respective Mortgagees) is required in order to comply with the provisions of Section 718.110(4) of the Condominium Act. Without limiting the generality of Section 18 hereof, the provisions of this Section may not be added to, amended or deleted without the prior written consent of the Declarant. Notwithstanding any of the foregoing provisions of this Section 8.4 to the contrary, the Declarant may not change the configuration or size of any condominium unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the owner of the Unit shares common expenses and owns the common surplus, unless the Declarant complies with the provisions of Section 718.110(4) of the Condominium Act.

**9. ADMINISTRATION, POWERS AND DUTIES AND FISCAL MANAGEMENT.**

9.1. **POWERS AND DUTIES.** The Association shall be the entity responsible for the operation of the Condominium and the Association Property. The powers and duties of the Association shall include those set forth in the Articles and By-Laws. In addition, the Association shall have all the powers and duties set forth in the Condominium Act and under applicable law, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:

9.1.1. the irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for pest control purposes and for the maintenance, repair or replacement of any Common Elements or any portion of a Unit, if any, to be maintained by the Association, or at any time and by force, if necessary, to prevent damage to the Common Elements, the Association Property or to a Unit or Units;

9.1.2. the power to make and collect Assessments and other charges against Unit Owners and to lease, maintain, repair and replace the Common Elements and Association Property;

9.1.3. the duty to maintain accounting records according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times upon prior request;

9.1.4. the power to contract for the management and maintenance of the Condominium Property and to authorize a management agent (who may be an affiliate of the Declarant) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of Common Elements with such funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted in the Condominium Documents and the Condominium Act, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association;

9.1.5. the power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, if any, provided that such actions are approved by a majority of the entire membership of the Board of Directors and a majority of the Units represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board or Unit Owners as may be specified in the By-Laws with respect to certain borrowing;

9.1.6. the power to adopt and amend rules and regulations concerning the details of the operation and use of the Condominium, the Condominium Property and the Association Property;

9.1.7. the power to acquire, convey, lease and encumber real and personal property. Personal property shall be acquired, conveyed, leased or encumbered upon a majority vote of the Board of Directors, subject to Section 8.1. Real property (including, without limitation, any of the Units) shall be acquired, conveyed, leased or encumbered by the

Association upon a majority vote of the Board of Directors alone; provided that the requirements of Section 8.1 pertaining to the Unit Owners' approval of costs in excess of the threshold amount stated therein (including the proviso regarding the debt incurred) shall also apply to the acquisition of real property; provided, further, however, that the acquisition of any Unit as a result of a foreclosure of the lien for Assessments (or by deed in lieu of foreclosure) shall be made upon the majority vote of the Board of Directors, regardless of the price for same, and the Association, through the Board of Directors, has the power to hold, lease, mortgage or convey the acquired Unit(s) without requiring the consent of Unit Owners. The expenses of ownership (including the expense of making and carrying any mortgage related to such ownership), rental, membership fees, taxes, Assessments, operation, replacements and other expenses and undertakings in connection therewith shall be General Common Expenses;

9.1.8. the power to act as the collection agent on behalf, and at the request, of the Neighborhood Association and the Master Association for assessments due same from Unit Owners;

9.1.9. the power to execute all documents or consents, on behalf of all Unit Owners (and their mortgagees), required by all governmental and/or quasi governmental agencies in connection with land use and development matters (including, without limitation, plats, waivers of plat, unities of title, covenants in lieu thereof, etc.), and in that regard, each Unit Owner, by acceptance of the deed to such Unit Owner's Unit, and each mortgagee of a Unit Owner by acceptance of a lien on said Unit, appoints and designates the President or Vice President of the Association, as such Unit Owner's agent and attorney-in-fact to execute any and all such documents or consents; and

9.1.10. all of the powers which a corporation not for profit in the State of Florida may exercise pursuant to this Declaration, the Articles of Incorporation, the By-Laws, Chapters 607 and 617, Florida Statutes (200\_\_) and any amendments or replacements thereof and the Condominium Act, as amended, in all cases except as expressly limited or restricted in the Condominium Act. In the event of conflict among the powers and duties of the Association or the terms and provisions of this Declaration, exhibits attached to this Declaration, the Neighborhood Declaration and the Master Declaration or otherwise, the Master Declaration shall take precedence over the Neighborhood Declaration; the Neighborhood Declaration shall take precedence over this Declaration; this Declaration shall take precedence over the Articles of Incorporation, By-Laws and the Rules and Regulations; the Articles of Incorporation shall take precedence over the By-Laws and the Rules and Regulations; and the By-Laws shall take precedence over the Rules and Regulations, all as amended from time to time. Notwithstanding anything in this Declaration, the Association shall at all times be the entity having ultimate control over the Condominium, consistent with the Condominium Act.

9.2. **LIMITATION UPON LIABILITY OF ASSOCIATION.** Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Unit Owners regardless of whether or not same shall

have been approved by the Association. The Association also shall not be liable to any Unit Owner or lessee or to any other person or entity for any property damage, personal injury, death or other liability on the grounds that the Association did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby; or (ii) the Association could not obtain such insurance at reasonable costs or upon reasonable terms.

9.3. **RESTRAINT UPON ASSIGNMENT OF SHARES IN ASSETS.** The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

9.4. **APPROVAL OR DISAPPROVAL OF MATTERS.** Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for that Unit if at an Association meeting, unless the joinder of all record Owners of the Unit is specifically required by this Declaration or the By-Laws.

9.5. **ACTS OF THE ASSOCIATION.** Unless the approval or action of Unit Owners, and/or a certain specific percentage of the Board of Directors of the Association, is specifically required in the Condominium Act, other applicable law or the Condominium Documents, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors, without the consent of Unit Owners, and the Board of Directors may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.

**10. DETERMINATION OF COMMON EXPENSES AND FIXING OF ASSESSMENTS THEREFOR.** The Board of Directors shall from time to time, and at least annually, prepare a budget for the Condominium and the Association, determine the amount of Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium and allocate and assess such expenses among the Unit Owners in accordance with the provisions of the Condominium Documents. The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the Assessments payable by each of them as determined by the Board of Directors as set forth in the Condominium Documents and shall furnish copies of the budget, on which such Assessments are based, to all Unit Owners and (if requested in writing) to their respective mortgagees. The Common Expenses shall include the expenses of and reserves for (if required by, and not waived in accordance with, applicable law) the operation, maintenance, repair and replacement of the Common Elements and Association Property, costs of carrying out the powers and duties of the Association and any other expenses designated as Common Expenses by the Condominium Act, this Declaration, the Articles, By-Laws, or Rules and Regulations or by the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated. Any Budget adopted shall be subject to change to cover actual expenses at any

time. Any such change shall be adopted consistent with the provisions of the Condominium Documents.

## **11. COLLECTION OF ASSESSMENTS.**

11.1. **LIABILITY FOR ASSESSMENTS.** A Unit Owner, regardless of how title is acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, shall be liable for all Assessments coming due while he, she or it is the Unit Owner. Additionally, a Unit Owner shall be jointly and severally liable with the previous Unit Owner for all unpaid Assessments that came due up to the time of the conveyance, without prejudice to any right the Unit Owner may have to recover from the previous Unit Owner the amounts paid by the grantee Unit Owner. Liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit for which the Assessments are made or otherwise.

Notwithstanding anything contained in this Declaration of Condominium, the Articles of Incorporation or the By-Laws to the contrary, at the time of the recording of this Declaration, the Declarant has the option of either activating the below guarantee of Assessments by checking the box contained on the signature page of this Declaration, or leaving such box empty, in which event the Declarant will pay Assessments on Declarant-owned Units. If the box contained on the signature page of this Declaration is checked, then from the recording of this Declaration until the earlier of six (6) months from the recording of the Declaration of Condominium, or the date on which the Declarant shall first give written notice to Unit Owners of the first meeting of Unit Owners at which they will elect a majority of the Board of Directors, the Declarant is not obligated to pay assessments on Units which it owns, but the Declarant guarantees that until the earlier of said dates Assessments will not increase over the stated dollar amounts specified in the Prospectus. The Declarant shall have the right to extend the period of exemption from assessments for common expenses against Units owned by it by extending the period of the guaranty as set forth in the Prospectus and provided that it shall do so in compliance with any applicable requirements of the Condominium Act and Rule 61B-22.004 of the Florida Administrative Code Rules. The Declarant, in its sole discretion, has the right and option to extend the period of exemption from Assessments against Declarant-owned Units for consecutive additional one (1) month periods of time until such time as the Declarant turns over operation and control of the Association to the Unit Owners other than the Declarant, provided that it shall do so in compliance with any applicable requirements of Section 718.116(9) of the Condominium Act and Rule 61B-22.004(2)(c) of the Florida Administrative Code Rules. Notwithstanding the foregoing, and as provided in Section 718.116(9)(a)(2) of the Condominium Act, in the event of an Extraordinary Financial Event (as subsequently defined), the costs necessary to effect restoration shall be assessed against all Unit Owners owning Units on the date of such natural disaster or act of God, and their successors and assigns, including the Declarant (with respect to Units owned by the Declarant). As used in this subsection, an "Extraordinary Financial Event" shall mean a casualty loss affecting the Condominium resulting from a natural disaster or act of God, which is not covered by insurance proceeds from the insurance maintained by the Association as required by Section 718.111(11) (a) of the Condominium Act.

11.2. SPECIAL AND CAPITAL IMPROVEMENT ASSESSMENTS. In addition to Assessments levied by the Association to meet the Common Expenses of the Condominium and the Association, the Board of Directors may levy Special Assessments and Capital Improvement Assessments. Such Special Assessments and Capital Improvement Assessments shall be payable in lump sums or installments, in the discretion of the Board; provided that, if such Special Assessments or Capital Improvement Assessments, in the aggregate in any year, exceed \$150,000.00 or cause the total Assessments levied to exceed 115% of Assessments for the preceding calendar year, the Board of Directors must obtain approval of a majority of the Unit Owners Units represented at a meeting at which a quorum is attained.

11.3. DEFAULT IN PAYMENT OF ASSESSMENTS FOR COMMON EXPENSES. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at the lesser of eighteen percent (18%) per annum or the highest rate permitted by law from the date due until paid and shall be subject to an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each delinquent installment. The Association has a lien on each Condominium Parcel to secure the payment of Assessments. Except as set forth below, the lien is effective from, and shall relate back to, the date of the recording of this Declaration. However, as to first mortgages of record, the lien is effective from and after recording of a claim of lien. The lien shall be evidenced by the recording of a claim of lien in the Public Records of Flagler County, Florida. To be valid, the claim of lien shall state the description of the Condominium Parcel, the name of the record Unit Owner, the name and address of the Association, the amount due and the due dates, and the claim of lien shall be executed and acknowledged by an officer or authorized officer of the Association. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of settlement) have been fully paid or until it is barred by law. No such lien shall be effective longer than one (1) year after the claim of lien has been recorded unless, within that one (1) year period, an action to enforce the lien is commenced. The one (1) year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Unit Owner or any other person claiming an interest in the Unit. The claim of lien shall secure (whether or not stated therein) all unpaid Assessments, which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a certificate of title, as well as interest and all reasonable costs and attorneys' fees of any kind incurred by the Association incident to the collection process. Upon payment in full, the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association may bring an action in its name to foreclose a lien for unpaid Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments without waiving any claim of lien. The Association is entitled to recover its reasonable attorneys' fees and costs incurred either in a lien foreclosure action or an action to recover a money judgment for unpaid Assessments. As an additional right and remedy of the Association, upon default in the payment of Assessments and after thirty (30) days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may declare the Assessment installments due for the remainder of the budget year in which the claim of lien was filed to be accelerated and immediately due and payable. If the amount of such installments changes during the remainder of such budget year, the Unit Owner or the Association, as appropriate, shall be obligated to pay

or reimburse to the other the amount of increase or decrease within ten (10) days of same taking effect.

11.4. NOTICE OF INTENTION TO FORECLOSE LIEN. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorneys' fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the Unit Owner's last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorneys' fees and costs as permitted by law. The notice requirements of this subsection shall be deemed satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Condominium Act.

11.5. APPOINTMENT OF RECEIVER TO COLLECT RENTAL. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased during the pendency of the foreclosure action, the Association shall be entitled to the appointment of a receiver to collect the rent. The expenses of such receiver shall be paid by the party, which does not prevail in the foreclosure action.

11.6. FIRST MORTGAGEE. The liability of a First Mortgagee holding a first priority mortgage lien on a Unit, or its successor or assignees, which acquires title to a Unit by foreclosure or by deed in lieu of foreclosure, for the unpaid Assessments (or installments thereof) that became due prior to the First Mortgagee's acquisition of title is limited to the lesser of: (a) the Unit's unpaid Common Expenses and regular periodic Assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (b) one percent (1%) of the original mortgage debt. As to a Unit acquired by foreclosure, the limitations set forth in clauses (a) and (b) above shall not apply unless the First Mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association, however, is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location that was known to or reasonably discoverable by the mortgagee. A First Mortgagee acquiring title to a Unit as a result of foreclosure or deed in lieu thereof may not, during the period of its ownership of such Unit, whether or not such Unit is unoccupied, be excused from the payment of some or all of the Common Expenses coming due during the period of such ownership.

11.7. INSTALLMENTS. Regular Assessments shall be collected monthly or quarterly, in advance, at the option of the Association. Initially, Assessments will be collected quarterly.

11.8. APPLICATION OF PAYMENTS. Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued on the delinquent installment(s), then to any administrative late fees, then to any costs and reasonable attorneys' fees incurred in collection and then to the delinquent and any accelerated Assessments. The immediately preceding sentence shall be applicable notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment.

11.9. ESTOPPEL CERTIFICATE. Within fifteen (15) days after receiving a written request therefor from a purchaser, the Unit Owner or mortgagee of a Unit, the Association shall provide a certificate, signed by an officer or agent of the Association, stating all Assessments and other monies owed to the Association by the Unit Owner with respect to the Unit Owner's Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

12. INSURANCE. In order to adequately protect the Unit Owners, the Association, and all parts of the Condominium Property and Association Property that are required to be insured by the Association, insurance shall be carried and kept in force at all times in accordance with the following provisions:

12.1. AUTHORITY TO OBTAIN. The Association shall use its best efforts to obtain and maintain adequate insurance to protect the Association, the Association Property, the Common Elements and the Condominium Property required to be insured by the Association pursuant to the Condominium Act. All insurance purchased by the Association shall identify the name of the insured as the Association, singularly and as agent for the Unit Owners covered by the policy. In the event that the Neighborhood Association or the Master Association requests the Association to name it as an additional insured as its interests may appear, the Association shall attempt to do so.

12.2. BASIC INSURANCE. The Association will procure insurance covering the Building and improvements as well as all insurable Association Property, in an amount determined annually by the Board of Directors. Such insurance shall afford the following protection:

12.2.1. CASUALTY. All portions of the Condominium Property located outside of the boundaries of the Units and such portions of the Condominium Property located within the boundaries of the Units that are required by the Condominium Act to be insured under the Association's policies from time to time (collectively the "Insured Property"), shall be insured in such adequate amounts and coverages as are determined by the Board of Directors from time to time. Notwithstanding the foregoing, the Insured Property shall not include, and shall specifically exclude, floor, wall and ceiling coverings, electrical fixtures, appliances, air conditioning or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a Unit and serve only one Unit and all air conditioning compressors that service only an individual Unit, whether or not located within the Unit boundaries. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against loss or damage by fire and other

hazards covered by a standard extended coverage endorsement, and such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

Every casualty insurance policy obtained by the Association, if required by FNMA/FHLMC, shall have the following endorsements: (a) agreed amount and inflation guard and (b) steam boiler coverage (providing at least \$50,000.00 coverage for each accident at each location), if applicable.

12.2.2. FLOOD. The policy shall include replacement cost for the Building and insurable improvements, as available.

12.2.3. LIABILITY. Comprehensive general public liability and automobile liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such coverage as shall be required by the Board of Directors of the Association, but with combined single limit liability of not less than \$1,000,000.00 for each accident or occurrence, \$100,000.00 per person and \$50,000.00 property damage, and with a cross liability endorsement to cover liabilities of the Unit Owners as a group to any Unit Owner, and vice versa. The Association may also obtain and maintain liability insurance for its directors and officers and for the benefit of the Association's employees.

12.2.4. WORKERS' COMPENSATION. The Association shall maintain worker's compensation insurance to meet the requirements of law.

12.2.5. FIDELITY BONDING. The Association shall obtain and maintain blanket fidelity bonds for each person who controls or disburses funds of the Association and the President, Vice President(s), Secretary and Treasurer of the Association in an amount not less than \$50,000.00 for each such person, but in no event less than the minimum required by the Condominium Act or FNMA/FHLMC from time to time based upon the maximum funds that will be in the custody of the Association or its management agent at any one time. The Association shall bear the cost of bonds.

12.2.6. DIRECTORS AND OFFICERS LIABILITY INSURANCE. The Association shall obtain and maintain directors and officers liability insurance in such amounts as the Board shall deem adequate, utilizing the broad form of policy coverage for all directors and officers and, if reasonably available, committee members of the Association.

12.2.7. ASSOCIATION PROPERTY. Appropriate additional policy provisions, policies or endorsements extending the applicable portions of the coverage described above to all Association Property, where such coverage is available.

12.2.8. OPTIONAL COVERAGE. The Association may purchase and carry such other insurance coverage as the Board of Directors may determine from time to time to be in the best interests of the Association and Unit Owners.

12.3. PROPERTY AND LIABILITY. Except as specifically provided in this Declaration or by the Condominium Act, the Association shall not be responsible to Unit Owners to obtain insurance coverage upon the property lying within the boundaries of their Unit, including, but not limited to, the Unit Owner's personal property, nor insurance for the Unit Owner's personal liability and living expenses nor for any other risks not otherwise insured in accordance herewith. To the extent required by the Condominium Act, each Unit Owner shall maintain insurance for all real and personal property located within the boundaries of the Unit Owner's Unit and all such insurance shall be in a form that complies with the requirements of the Condominium Act.

12.4. DESCRIPTION OF COVERAGE. A detailed summary of the coverage included in the master policies shall be available for inspection by Unit Owners upon request.

12.5. WAIVER OF SUBROGATION. When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (a) subrogation against the Association and against the Unit Owners individually and as a group, (b) pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk, and (c) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, a member of the Board of Directors of the Association, one or more Unit Owners or as a result of contractual undertakings. Additionally, each policy shall provide that any insurance trust agreement will be recognized, that the insurance provided shall not be prejudiced by any act or omissions of individual Unit Owners that are not under the control of the Association, and that the policy shall be primary, even if a Unit Owner has other insurance that covers the same loss.

12.6. ADDITIONAL PROVISIONS. All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days' prior written notice to all of the named insureds, including all mortgagees of Condominium Parcels. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Board of Directors may (or if required by FNMA/FHLMC, shall) obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section.

12.7. PREMIUMS. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense, except that the costs of fidelity bonding for any management company employee may be paid by such company pursuant to its contract with the Association. Premiums may be financed in such manner as the Board of Directors deems appropriate.

12.8. INSURANCE TRUSTEE; SHARE OF PROCEEDS. All insurance policies obtained by or on behalf of the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the insurance trustee which may be designated by the Board of Directors (the "Insurance Trustee") as provided in Section 12.12 below, and which, if so appointed, shall be a bank or trust company in Florida with trust powers, with its principal place of business in the State of Florida. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to

collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but shares need not be set forth on the records of the Insurance Trustee:

12.8.1. INSURED PROPERTY. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were "Optional Property" as subsequently defined.

12.8.2. OPTIONAL PROPERTY. Proceeds on account of damage solely to Units and/or certain portions or all of the contents thereof not included in the Insured Property (all as determined by the Association in its sole discretion) (collectively the "Optional Property"), if any is collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Unit Owners or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Unit Owner, which cost and allocation shall be determined in the sole discretion of the Association.

12.8.3. MORTGAGEES. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.

12.9. DISTRIBUTION OF INSURANCE PROCEEDS. Proceeds of insurance policies received by the Association shall be distributed for the benefit of the Unit Owners in the following manner and priority:

12.9.1. COST OF RECONSTRUCTION OR REPAIR. If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall first be paid to defray the costs thereof as elsewhere provided in this Declaration. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their Mortgagees being payable jointly by them.

12.9.2. FAILURE TO RECONSTRUCT OR REPAIR. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds remaining after expenses shall be allocated among the beneficial owners thereof as provided in Section 12.9.1 above and distributed first to all First Mortgagees in an amount sufficient to pay off their Mortgages, and the balance, if any, to the beneficial owners. This is a covenant for the benefit of mortgagees and may be enforced by them.

12.9.3. CERTIFICATE. In making distributions to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.

12.10. ASSOCIATION AS AGENT. The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

12.11. UNIT OWNERS' PERSONAL COVERAGE. Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against a Unit Owner due to accidents occurring within the Unit Owner's Unit, nor casualty or theft loss to the contents of a Unit Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Unit Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association.

12.12. APPOINTMENT OF INSURANCE TRUSTEE. The Board of Directors shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association will perform directly all obligations imposed upon such Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses.

12.13. PRESUMPTION AS TO DAMAGED PROPERTY. In the event of a reasonable dispute or reasonable lack of certainty as to whether damaged property constitutes a Unit(s) or Common Elements, such property shall be presumed to be Common Elements.

### **13. RECONSTRUCTION OR REPAIR AFTER CASUALTY.**

13.1. DETERMINATION TO RECONSTRUCT OR REPAIR. Subject to the immediately following paragraph, in the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee (if appointed) shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments.

If seventy-five percent (75%) or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed ("Very Substantial Damage") and if insurance proceeds and reserves available for reconstruction are insufficient to cover the cost of reconstruction and repair of the insured property (and the Optional Property), if insurance has been obtained by the Association with respect thereto and if Unit Owners of at least seventy-five percent (75%) of the Units duly and promptly resolve at a meeting of Unit Owners not to proceed with the repair or restoration thereof and a majority of Institutional First Mortgagees approve such resolution, the

Condominium Property will not be repaired and shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements (with respect to proceeds held for damage to the insured property other than that portion of the insured property lying within the boundaries of the Unit), and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the insured property lying within the boundaries of the Unit); provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such funds all mortgages and liens on his Unit in the order of priority of such mortgages and liens.

Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin (subject to delays in processing and obtaining permits and governmental approvals) as soon as reasonably practicable, but, in no event more than one hundred eighty (180) days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than two hundred ten (210) days after the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

13.2. PLANS AND SPECIFICATIONS. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the improvements existing immediately prior to the casualty and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes, and, if the damaged property which is to be altered is the Building or the Optional Property, by the Unit Owners of not less than a majority of the Units, as well as the Unit Owners of all Units and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.

13.3. SPECIAL RESPONSIBILITY. If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair, which shall be effected promptly and in accordance with guidelines established by the Board of Directors (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.

13.4. DISBURSEMENT. The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

13.4.1. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$100,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided in Section 13.4.2.

13.4.2. If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than \$100,000.00, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by Section 13.4.1 above, but then only upon the further approval or certification of an architect or engineer qualified to practice in Florida and employed by the Association to supervise the work.

13.4.3. If there is a balance of insurance proceeds after payment of all costs of reconstruction and repair that are the responsibility of the Association, such balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under-insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owner bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the affected Unit Owners and their mortgagees jointly as elsewhere herein contemplated.

13.4.4. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner elsewhere stated; except, however, that part of a distribution to a Unit Owner which is not in excess of Assessments paid by such Unit Owner into the construction fund shall not be made payable jointly to any mortgagee.

13.4.5. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon Assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect, engineer or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplus funds

to be distributed are less than the Assessments paid by Unit Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a certificate of the Association, made by its President or Vice President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

13.5. ASSESSMENTS. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Special Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments on account of damage to the insured property shall be in proportion to all of the Unit Owners' respective shares in the Common Elements, and on account of damage to the Optional Property, the Association shall charge the Unit Owner (but shall not levy an Assessment) in proportion to the cost of repairing the damage suffered by each Unit Owner thereof, as determined by the Association.

13.6. BENEFIT OF MORTGAGEES. Certain provisions in this Section 13, as stated, are for the benefit of mortgagees of Units and may be enforced by any of them.

#### 14. CONDEMNATION.

14.1. DEPOSIT OF AWARDS WITH INSURANCE TRUSTEE. The taking of portions of the Condominium Property or Association Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee, if appointed. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors, a Charge shall be made against a defaulting Unit Owner in the amount of his award, or the amount of that award shall be set off against the sums hereafter made payable to such Unit Owner.

14.2. DETERMINATION WHETHER TO CONTINUE CONDOMINIUM. Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.

14.3. DISBURSEMENT OF FUNDS. If the Condominium is terminated after condemnation, the proceeds of the awards and Special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and Special Assessments shall be used for such purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere specifically provided in this Section 14.

14.4. UNIT REDUCED BUT HABITABLE. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

14.4.1. RESTORATION OF UNIT. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be charged to and paid by the Owner of the Unit.

DISTRIBUTION OF SURPLUS. The balance of the award in respect of the Unit, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.

14.5. UNIT MADE UNINHABITABLE. If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sole opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:

14.5.1. PAYMENT OF AWARD. The awards shall be paid first to the applicable Institutional First Mortgagees in amounts sufficient to pay off their mortgages in connection with each Unit which is not habitable; second, to the Association for any due and unpaid Assessments; third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, if any, shall be applied to repairing and replacing the Common Elements.

14.5.2. ADDITION TO COMMON ELEMENTS. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.

14.5.3. ASSESSMENTS. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effected by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.

14.5.4. ARBITRATION. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within thirty (30) days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association, except that the arbitrators shall be two appraisers appointed by the American Arbitration Association who shall base their determination upon an average of their

appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Units Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustments to such shares effected pursuant hereto by reason of the taking.

14.6. **TAKING OF COMMON ELEMENTS.** Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere required for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.

14.7. **AMENDMENT OF DECLARATION.** The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration of Condominium that is only required to be approved by, and executed upon the direction of, a majority of the members of the Board of Directors.

**15. USE RESTRICTIONS.** The use of the Condominium Property shall be in accordance with the Rules and Regulations and the following provisions:

15.1. **LAWFUL USE.** All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair upon Condominium Property shall be the same as the responsibility for the repair and maintenance of the property as expressed earlier in this Declaration.

15.2. **RULES AND REGULATIONS.** The Rules and Regulations may be amended, and new Rules and Regulations established, from time to time by the Board of Directors. Copies of the regulations and amendments shall be furnished by the Association to all Unit Owners. No new or amended regulation may be enforced prior to distribution to the Unit Owners. Changes in the Rules and Regulations shall not be required to be recorded in the Public Records of Flagler County, Florida.

15.3. **USE AND OCCUPANCY RESTRICTIONS.** Use and occupancy of the Units is restricted to residential uses with one Family and their Guests per Unit only. Occupancy by Guests in the absence of the Unit Owner is limited to two (2) times per calendar year for maximum periods of thirty (30) consecutive days. These use restrictions shall not be construed in such a manner as to prohibit a Unit Owner from maintaining his or her personal professional library, keeping his personal business or professional records or accounts or handling his or her personal, business or professional telephone calls, facsimile or correspondence in and from his or her Unit. Such uses are expressly declared customarily incident to the principal residential use.

Notwithstanding the foregoing, the Declarant, its successors and assigns, shall be permitted to use Units which the Declarant owns or leases as model apartments, as sales or other offices or management services, or for overnight accommodations by its designees.

15.4. PETS. Unit Owners may not keep in any Unit or bring upon the Common Elements any animals or pets other than dogs, cats, caged birds and aquarium fish which are usually and commonly kept as household pets, provided that any such permitted pets shall only be allowed to remain in the Unit if such pets are: (i) permitted to be kept by applicable laws and regulations; (ii) not left unattended on terraces; (iii) not being kept or raised for commercial purposes; and (iv) quiet, inoffensive and not a nuisance or disturbance to residents of other Units or of neighboring buildings. Each Unit Owner shall be responsible for all damage caused by such Unit Owner's pets. Guests or tenants are not permitted to keep or maintain any pets or animals within Units or bring any pets or animals upon the Condominium Property, unless otherwise permitted by the Board of Directors of the Association. Any Unit Owner who keeps or maintains a pet within a Unit shall indemnify and hold harmless all other Unit Owners, the Declarant, the Association and the Master Association from and against any loss, claim or liability of any kind or character whatsoever arising by reason of keeping or maintaining such pets. Pets shall further be subject to the Rules and Regulations, as enacted and amended from time to time. Without limiting the generality of the other provisions of this Declaration, a violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners and/or to require any pet to be permanently removed from the Condominium Property.

15.5. USE OF COMMON ELEMENTS. The Common Elements shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.

15.6. NUISANCES. No nuisances (as defined by the Association) shall be allowed on the Condominium, nor shall any use or practice be allowed which is a source of annoyance to occupants of Units or which interferes with the peaceful possession or proper use of the Condominium by its residents, occupants or members. All parts of the Condominium Property shall be kept in clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate nor shall any fire hazard be allowed to exist. No activity specifically permitted by this Declaration shall be deemed a nuisance.

15.7. PROHIBITION OF INCREASES IN INSURABLE RISKS AND CERTAIN ACTIVITIES. Nothing shall be done or kept in any Unit or in or on the Common Elements, or any part thereof, which would result in the cancellation of the insurance on all or any part of the Condominium or in an increase in the rate of the insurance on all or any part of the Condominium over what the Association, but for such activity, would pay, without the prior written approval of the Association. Nothing shall be done or kept in any Unit or in or on the Common Elements which would be in violation of any statute, rule, ordinance, regulation, permit or other imposed requirement of any governmental body. No damage to or waste of the Common Elements shall be committed by any Owner, or by any member of the Owner's family, or by any guest, invitee, customer, contractor, tenant, employee or agent of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by such Owner, the members of such Owner's

family, or such Owner's guests, invitees, customers, contractors, tenants, employees or agents. Failure to so indemnify shall be a default by such Owner under this Section, and such amount to be indemnified shall automatically become a Special Charge against such Unit Owner.

15.8. ASSOCIATION ACCESS TO UNITS. In order to facilitate access to Units by the Association for the purposes enumerated in Section 9 of this Declaration, it shall be the responsibility of all Unit Owners to deliver a set of keys to their respective Units to the Association to use in the performance of its functions. No Unit Owner shall change the locks to his Unit without so notifying the Association and delivering to the Association a new set of keys to such Unit.

15.9. WINDOW COVERINGS. The covering and appearance of the windows and doors, whether by draperies, shades, reflective film or other items, whether installed within or outside of the Unit, visible from the exterior of the Unit, shall be subject to the Rules and Regulations of the Association.

## 16. LEASE, CONVEYANCE, DISPOSITION.

16.1. UNITS. The purpose and object of this Section is to maintain a quiet, tranquil, non-transient and single-family oriented atmosphere with the residents living in compatible coexistence with other financially responsible persons who are of like-mind and acceptable both in character and comportment. This objective is considered to be both important and justified because of the necessity of sharing facilities and because of the large personal financial investment of each Unit Owner. Therefore, the lease, conveyance, disposal and financing of the Units by Unit Owners shall be subject to the following provisions:

16.1.1. ASSOCIATION APPROVAL REQUIRED. Except for sales by or to the Declarant, no Unit Owner may sell, lease, give or otherwise transfer ownership of a Unit or any interest therein in any manner without the prior written approval of the Association. Such approval shall be a written instrument in recordable form (except for leases) which shall include, without limitation, the nature of the transfer (sale, lease, etc.), the parties to the transaction (sellers, purchasers, etc.), the Unit number, the name of the Condominium and the Official Record Book (O.R. Book) and Page numbers in which this Declaration was originally recorded. For all Unit transfers of title other than from the Declarant, the approval shall be recorded in the Flagler County, Florida Public Records with the Deed or other instrument transferring title to the Unit. Each new Unit Owner receiving a conveyance from any party except the Declarant shall notify the Association promptly after becoming a new Owner by delivering a copy of the deed to the Unit to the Association.

16.1.2. DEVISE OR INHERITANCE. If any Unit Owner shall acquire title by devise or inheritance or in any other manner not heretofore considered, the continuance of his or her ownership shall be subject to the approval of the Association. Such Unit Owner shall give the Association notice of the acquisition of his title together with such additional information concerning the Unit Owner as the Association may reasonably require together with a copy of the instrument evidencing the Unit Owner's title. If such notice is not given, the Association at any time after receiving knowledge of such transfer, may approve or disapprove the transfer of ownership.

16.1.3. LEASES. Approvals of Leases of Units need not be recorded. Only entire Units may be leased. All Leases of Units must provide, and if they do not, shall be deemed to provide the agreement of the tenant(s) to abide by all of the Condominium Documents, the Neighborhood Declaration and any and all rules and regulations of the Neighborhood Association promulgated and amended from time-to-time and the Master Declaration and any and all rules and regulations of the Master Association promulgated and amended from time-to-time. A violation of any of the terms of any of the foregoing documents shall constitute a material breach of the Lease and shall constitute grounds for damages, termination and eviction. The tenant and the Unit Owner agree that the Association may proceed directly against such lessee(s) and that the lessee(s) and the Unit Owner shall be jointly and severally responsible for all of the Association's costs and expenses (including, without limitation, attorneys' fees and costs of any kind, whether at trial or appellate levels or otherwise). If such costs and fees are not immediately paid by the lessee(s), the Unit Owner shall pay them and such funds shall be secured as a Charge. Each Unit Owner irrevocably appoints the Association as the Unit Owner's agent authorized to bring actions in such Unit Owner's name and at such Unit Owner's expense including injunction, damages, termination and eviction. The Rules and Regulations must be provided to the tenant(s) by or on the behalf of the Unit Owner at or before the commencement of the Lease term; provided, however, that tenant(s)' obligations under this Section 16.1.3 shall not be affected by the failure to provide such notice. The minimum leasing period is thirty (30) consecutive days and no Unit may be leased more than two (2) times per calendar year, unless made more restrictive by the Board of Directors.

16.1.4. MULTIPLE OWNERS. Consistent with this Section 16, de facto time sharing of Units shall not be permitted and approval will not be given for the sale of a Unit or an interest in a Unit to multiple persons such as (e.g. siblings or business associates), who may intend that they and their families would split occupancy of the Unit into different time periods during the year.

16.1.5. APPROVAL PROCEDURE. The approval of the Association shall be obtained as follows:

16.1.5.1. WRITTEN NOTICE. Not later than thirty (30) days before the proposed transfer of ownership occurs, or fifteen (15) days before the first day of occupancy under a proposed Lease, written notice shall be given the Association by the Unit Owner of his intention to sell or transfer his interest in any fashion. The notice shall include the name and address of the proposed acquirer or lessee and a correct and complete copy of the proposed documents to be executed to effectuate the transaction. The Association may require such other and further information as it deems reasonably necessary and may impose a transfer fee not to exceed \$100.00 or as permitted by law from time to time.

16.1.5.2. ASSOCIATION'S OPTIONS. The Association must, within fifteen (15) days after receipt of all the information required by it, either approve, disapprove for cause, or, except in the case of disapproval for cause, upon the written demand of the Unit Owner, furnish an alternate purchaser or lessor (as the respective case may be), it approves, or the Association may itself elect to purchase or lease the Unit, the Unit Owner shall be compelled to sell or lease, as the case may be, to such alternate purchaser or lessee, or to the Association upon the same terms set forth in the proposal given the Association. Alternatively, the Unit

Owner may withdraw the proposed sale or Lease. In exercising its power of disapproval the Association shall act in a manner that is neither arbitrary nor unlawfully discriminatory and withhold approval only for a reason or reasons rationally related to the protection, preservation use and enjoyment of other Unit Owners and lessees and proper operation of the Condominium and the purposes as set forth in this Section 16. If the Association fails or refuses within the allotted time to notify the Unit Owner of either approval or disapproval in writing, or if it fails to provide an alternate purchaser or make an election to purchase the Unit itself when required to do so, then the Association shall conclusively be presumed to have approved the transaction, and the Association shall, upon demand, provide a recordable certificate of approval. In any such case, the Association shall have no responsibility for the Unit Owner's costs, brokerage fees, attorneys' fees and costs or any other claims related to a delay or failure in closing of the sale or lease of the respective Unit.

16.1.5.3. CLOSING DATE. If the Association provides an alternative, the sale or lease shall be closed within sixty (60) days after an alternate purchaser has been furnished or the Association has elected to purchase.

16.1.5.4. NOTICE OF DISAPPROVAL. If the Association disapproves the proposed transaction (subject to the qualifications contained in Section 16.1.5.2.) notice of disapproval shall be promptly sent in writing to the Unit Owner or interest holder, and the transaction shall not be completed.

16.1.6. JUDICIAL SALES. Judicial sales are exempt from this Section. A transfer to or a transfer by a Institutional First Mortgagee that acquires its title as the result of a deed from its mortgagor in lieu of foreclosure or through foreclosure proceedings shall be exempt from the provisions of this Section and such transaction shall not require approval of the Association. The purchaser from a Institutional First Mortgagee shall not be subject to approval by the Association as provided in this Section.

16.2. VOID TRANSACTIONS. Any residential transaction for which the Association's approval is not obtained pursuant to the terms of this Declaration shall be void unless subsequently approved by the Association.

**17. COMPLIANCE AND DEFAULT.** Each Unit Owner, each tenant and other invitee shall be governed by, and shall comply with the provisions of, the Condominium Act as amended from time to time, the Condominium Documents, the Neighborhood Declaration, the Master Declaration, the Rules and Regulations, and any and all other rules and regulations of the Association, the Neighborhood Association and the Master Association promulgated and amended from time to time.

17.1. REMEDIES. Failure to comply shall be grounds for relief, which relief may include, but shall not be limited to, an action to recover damages or injunctive relief or both. Actions may be maintained by the Association or by any Unit Owner.

17.2. COSTS AND FEES. In any such proceeding, including appeals, the prevailing party shall be entitled to recover the costs of the proceeding and reasonable attorneys' fees.

17.3. OWNER INQUIRIES; DISPUTES. In the event of an inquiry by a Unit Owner against the Association, the Board of Directors or a member thereof, such aggrieved Unit Owner, prior to the institution of any proceedings, shall give written notice in detail of the inquiry by certified mail to the Board of Directors. The Board shall respond in writing to the Unit Owner within thirty (30) days of the receipt of the inquiry. The Board's response shall either give a substantive response to the inquirer, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the Division of Condominiums. If the Board requests advice from the Division of Condominiums, the Board shall, within ten (10) days of receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within sixty (60) days of the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to act as above set forth precludes the Association from recovering attorney's fees and costs in any subsequent litigation, administrative proceedings, or arbitration arising out of the inquiry. If unresolved, a dispute as defined in Section 718.1255(1) of the Condominium Act shall be subject to an arbitration in mandatory non-binding arbitration proceedings (in accordance with Section 718.1255(1) of the Condominium Act) prior to commencing litigation.

17.4. NO WAIVER OF RIGHTS. The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Documents shall not constitute a waiver of the right to do so thereafter as to subsequent or other instances.

17.5. LIEN RIGHTS. The provisions of this Section 17 shall not limit or impair the right to impose, enforce and foreclose upon liens in connection with unpaid Assessments or otherwise, to the extent otherwise permitted under this Declaration or the Condominium Act.

**18. AMENDMENTS.** Amendments to any of the Condominium Documents shall be in accordance with the following:

18.1. AMENDMENT BY UNIT OWNERS.

18.1.1. An amendment to this Declaration of Condominium may be proposed by the Board of Directors acting upon a vote of a majority of the Directors or by Unit Owners owning not less than fifty-one percent (51%) of the Units, whether by vote at a meeting of members or by an instrument in writing signed by them. A proposal to amend this Declaration of Condominium shall contain the full text of the provision to be amended. New words shall be inserted in the text and underlined or highlighted and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it shall not be necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation shall be inserted immediately preceding the proposed amendment in substantially the following language:

“Substantial re-wording of Declaration of Condominium. See Article \_\_\_\_\_ for present text.”

18.1.2. The proposed amendment shall be transmitted to the President of the Association, or in such person's absence, to the Vice President of the Association, who shall thereupon call a special meeting of the Unit Owners for a date not sooner than twenty (20) days

nor later than sixty (60) days from receipt by such officer of the proposed amendment. It shall be the duty of the Secretary or other appropriate officer of the Association to give to each Unit Owner written notice of the special meeting, together with a copy of the proposed amendment in the form above provided, which notice shall be delivered or mailed not less than fourteen (14) days nor more than thirty (30) days before the date set for the special meeting. If mailed, the notice shall be deemed properly given when deposited in the United States mail addressed to the member at his, her or its post office address as it appears on the records of the Association. Any Unit Owner may, by written waiver of notice signed by such Unit Owner, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such Unit Owner. Notice of the meeting shall be posted in a conspicuous place on the Common Elements at least fourteen (14) days before the special meeting.

18.1.3. At the special meeting called to consider a proposed amendment, such amendment must be approved by an affirmative vote of Unit Owners owning not less than sixty-six percent (66%) of the Units; provided, however, no amendment may be adopted which adversely affects any of the rights and/or privileges provided to the Declarant without the written consent of the Declarant. In the alternative, a proposed amendment may be adopted without the holding of a special meeting if within ninety (90) days from the mailing or delivery thereof to all Unit Owners the amendment is approved in writing by members of the Association owning not less than sixty-six percent (66%) of the Units; provided, however, no amendment may be adopted which adversely affects any of the rights and/or privileges provided to the Declarant without the written consent of the Declarant. If the amendment shall be adopted by either method, such amendment shall be transcribed and certified by the President and Secretary of the Association as having been so adopted. The certificate of amendment shall include the recording data identifying this Declaration of Condominium, shall be executed in the form required for execution of a deed and shall be recorded in the Public Records of Flagler County, Florida within ten (10) days from the date of adoption and shall become effective on the date of recording. A copy of the amendment in the form in which it has been placed of record shall be delivered to all Unit Owners, but delivery of such copies shall not be a condition precedent to the effectiveness of the amendment. At any meeting held to consider a proposed amendment, the written vote of any Unit Owners shall be recognized if the Unit Owners are not in attendance at the meeting or represented by limited proxy, provided such written vote is delivered to the Secretary of the Association prior to the meeting or at such meeting.

18.2. AMENDMENT BY THE DECLARANT. Except as set forth in Section 18.3, and except for amendments relating to matters described in Section 718.110(4), Section 718.110(8) and Section 718.110(13) of the Condominium Act, during the time the Declarant has the right to elect a majority of the Board of Directors of the Association, the Declaration, the Articles of Incorporation, the By-Laws and the Rules and Regulations of the Association may be amended by the Declarant alone, without requiring the consent of any other party to effect any change whatsoever. In any case, no amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to the Declarant, without the consent of the Declarant in each instance.

18.3. ADDITIONAL REQUIREMENTS FOR CERTAIN AMENDMENTS. Notwithstanding anything contained in this Declaration of Condominium to the contrary:

18.3.1. No alteration in the percentage of ownership in Common Elements appurtenant to each Unit, alteration of the basis for the sharing of Common Expenses and apportionment of Assessments, alteration of the basis of ownership of Common Surplus, or alteration or modification of the appurtenances to any Unit, shall be made without the joinder in the amendment of all Owners of the Units affected and all record owners of liens on such Units (which consent may not be unreasonably withheld) and the amendment is otherwise approved by sixty-six percent (66%) or more of the Voting Interests.

18.3.2. Alterations, amendments or modifications under and to this Declaration of Condominium shall require the consent of some or all Institutional First Mortgagees, if, and only to the extent that, such alteration, amendment or modification would materially affect the rights or interest of a respective Institutional First Mortgagee, or if the consent of a respective Institutional First Mortgagee is required by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation. The consent of a First Mortgagee shall not be unreasonably withheld or delayed. It shall be presumed that, except as to those matters described in Section 718.110(4) and Section 718.110(8) of the Condominium Act, amendments to this Declaration do not materially affect the rights or interests of mortgagees.

18.3.3. No alteration, amendment or modification of the rights and privileges of the Declarant under this Declaration of Condominium or any other Condominium Document, nor any amendment thereto, which would adversely affect the sale of Units owned by the Declarant as determined by the Declarant in its reasonable discretion, shall be made without the prior written consent of the Declarant.

18.3.4. Any amendment that further restricts Unit Owners' rights relating to the rental of Units is subject to the provisions of Section 718.110(13) of the Condominium Act.

18.4. AMENDMENT IN NATURE OF CORRECTION. Whenever it shall appear that there is a defect, error or omission in any of the Condominium Documents or in order to comply with applicable laws or requirements of government entities, the amendment may be adopted by the Board of Directors alone.

18.5. MERGER AMENDMENT. In the event that this Condominium should desire to merge with one or more other condominiums within the Neighborhood or Hammock Dunes, it may do so upon the affirmative vote of seventy-five percent (75%) of the Voting Interests in this Condominium and the approval of all record owners of liens. When the Board intends to merge the Condominium or the Association, the Board shall notify the Division of Condominiums before taking any action to merge the Condominium or the Association.

18.6. DECLARANT AMENDMENTS. Until relinquishment of Declarant control of the Association and except as otherwise provided by law in Section 718.110(2) of the Condominium Act, the Declarant specifically reserves the right, without the joinder of any person, to make such amendments to the Declaration and its exhibits or to the plan of development, as may be required by any lender, governmental authority or as may be, in its

judgment, necessary or desirable. This paragraph shall take precedence over any other provision of this Declaration or its exhibits.

18.7. **WRITTEN AGREEMENTS.** Any approval of Unit Owners on any matter called for by this Declaration, any of the other Condominium Documents, or any statute to be taken at a meeting of Unit Owners is hereby expressly allowed to be taken instead by written agreement, without a meeting (which agreement may be in counterparts), subject to Section 718.112(2)(d)(4) of the Condominium Act and Florida Statutes Section 617.0701(in effect as of the date of this Declaration).

**19. TERMINATION.** Except for termination in connection with a merger of this Condominium with another, as provided for in Section 18.5., the termination of the Condominium shall be carried out in accordance with the following:

19.1. **BY AGREEMENT.** The Condominium may be caused to be terminated at any time by written agreement of Unit Owners representing one hundred percent (100%) of the Units and their respective Institutional First Mortgagees, if any.

19.2. **WITHOUT AGREEMENT, ON ACCOUNT OF VERY SUBSTANTIAL DAMAGE.** If the Condominium suffers Very Substantial Damage and it is not decided, pursuant to the terms of Section 13.1. as therein provided that the Condominium will be reconstructed or repaired, the condominium form of ownership of the property in this Condominium will be terminated.

19.3. **PROCESS OF TERMINATION.** When the Board intends to terminate the Condominium, the Board shall notify the Division of Condominiums before taking any action to terminate the Condominium. Termination of the Condominium shall occur when a Certificate of Termination meeting the requirements of this Section and the Condominium Act is recorded in the Public Records of Flagler County, Florida.

19.3.1. The termination of the Condominium shall be evidenced by a Certificate of Termination, executed by the President or Vice-President with the formalities of a deed, and certifying as to the facts effecting the termination. The Certificate shall also include the name and address of a Florida financial institution with trust powers, or a licensed Florida attorney, who is designated by the Association to act as the termination trustee, and shall be signed by the trustee (the "Termination Trustee") indicating willingness to serve in that capacity. Upon recordation of the Certificate of Termination in the public records of Flagler County, Florida, the Association, within thirty (30) business days of such filing, shall notify the Division of Condominiums of the termination and the date the Certificate of Termination was recorded, the county where the Certificate of Termination was recorded, and the book and page number of the public records where the Certificate of Termination was recorded, and shall provide the Division of Condominium a copy of the Certificate of Termination certified by the clerk.

19.3.2. The recording of a Certificate of Termination shall automatically divest the Association of title to all Association Property, and divest all Unit Owners of legal title to their respective Condominium Parcels, and shall vest legal title in the Termination Trustee named in the Certificate of Termination, to all real and personal property which was formerly the

Condominium Property or Association Property, without need for further conveyance. Beneficial title to the former Condominium and Association Property shall be transferred to the former Unit Owners as tenants in common, in the same undivided shares as each Unit Owner previously owned in the Common Elements, without further conveyance. Each lien encumbering a Condominium Parcel shall be automatically transferred to the equitable interest in the former Condominium Property and Association Property attributable to the Unit encumbered by the lien, with the same priority.

19.4. WIND-UP OF ASSOCIATION AFFAIRS. The termination of the Condominium shall not, by itself, terminate the Association. The former Unit Owners and their successors and assigns shall continue to be members of the Association, and the members of the Board of Directors and the officers of the Association shall continue to have the powers granted in this Declaration, the Articles of Incorporation, the By-Laws and the Condominium Act, to the extent necessary to, and for the sole purpose of, winding up the affairs of the Association in accordance with this Section.

19.5. TRUSTEE'S POWERS AND DUTIES. The Termination Trustee shall hold legal title to the Condominium or Association Property or both for the benefit of the former Unit Owners and their successors, assigns, heirs, devisees, mortgagees and other lien holders, as their interests shall appear. If the former Unit Owners approve a sale of the Condominium or Association Property or both as provided in this Section, the Termination Trustee shall have the power and authority to convey title to the purchaser(s), and to distribute the proceeds in accordance with the provisions of this Section. The Termination Trustee may charge a reasonable fee for acting in such capacity, and such fee, as well as all costs and expenses incurred by the Termination Trustee in the performance of its duties, shall be paid by the Association or taken from the proceeds of the sale of the former Condominium and Association Property, and shall constitute a lien on the Condominium or Association Property or both superior to any other lien. The Termination Trustee shall be entitled to indemnification by the Association from any and all liabilities and costs incurred by virtue of acting as Termination Trustee unless such liabilities are the result of gross negligence or willful misconduct.

19.6. RELIANCE. The Termination Trustee may rely upon the written instructions and information provided to it by the officers, directors and agents of the Association, and shall not be required to inquire beyond such information and instructions.

19.7. PARTITION; SALE. Following termination, the former Condominium Property and Association Property may be partitioned and sold upon the application of any Unit Owner. If following a termination, at least seventy-five percent (75%) of the Unit Owners agree to accept an offer for the sale of the Condominium or Association Property or both, the Board of Directors shall notify the Termination Trustee, and the Termination Trustee shall complete the transaction. In such event, any action for partition of the Condominium or Association Property shall be held in abeyance pending the sale, and upon the consummation of the sale shall be discontinued by all parties thereto. If the Unit Owners have not authorized a sale of the former Condominium and Association Property within one (1) year after the recording of the Certificate of Termination, the Trustee may proceed to sell the Condominium or Association Property without agreement by the Association or the former Unit Owners. The net proceeds of the sale of any of the Condominium

or Association Property or assets of the Condominium or the Association shall be distributed by the Termination Trustee to the beneficial owners thereof, as their interests shall appear.

19.8. NEW CONDOMINIUM. The termination of the Condominium shall not bar creation of another Condominium including all or any portion of the Condominium or Association property.

19.9. PROVISIONS SURVIVE TERMINATION. The provisions of this Section 19 are covenants running with the land, and shall survive the termination of the Condominium until all matters covered by those provisions have been completed. The Board of Directors shall continue to function in accordance with the By-Laws and Articles of Incorporation, and shall have the power to levy Assessments to pay the costs and expenses of the Termination Trustee and of maintaining the Condominium or Association Property until it is sold. The costs of termination, the fees and expenses of the Termination Trustee, as well as post-termination costs of maintaining the former Condominium Property, are Common Expenses, the payment of which shall be secured by a lien on the beneficial interest owned by each former Unit Owner, which to the maximum extent permitted by law, shall be superior to, and take priority over, all other liens.

## **20. PROVISIONS PERTAINING TO THE DECLARANT.**

20.1. CONSTRUCTION, DEVELOPMENT, SALES. In addition to all other rights granted or reserved to the Declarant in this Declaration of Condominium, the Articles of Incorporation and the By-Laws of the Association, the Declarant shall have the right to conduct on the Condominium Property, all operations necessary, in its sole discretion, to complete the construction and development of the Condominium and the Neighborhood and to market, sell and lease the Units, residential units in Neighborhood Condominiums and improvements within the Neighborhood. Irrespective of any restriction or regulation, the Declarant or its agents may enter upon the Condominium Property and operate thereon such vehicles and equipment as shall be necessary in the sole discretion of the Declarant or its agents for such purposes. The Declarant shall have the right to use any Unit or other portion of the Condominium Property as a model Unit and/or sales office in connection with the Declarant's program to sell or lease Units and other residential units in Neighborhood Condominiums and shall have the right to place upon the Common Elements signs designating the Declarant's model condominiums and/or sales office and advertising for sale or lease Units owned by the Declarant and residential units in Neighborhood Condominiums. Such signs may be placed in such locations and shall be of such size and character as the Declarant may determine.

20.2. REPRESENTATION ON BOARD OF DIRECTORS; VOTING BY DECLARANT. The Declarant shall have the right to select and designate members of the Board of Directors of the Association, and to remove and replace any person or persons selected by the Declarant as a member of the Board of Directors, as provided in the Articles of Incorporation and By-Laws. No representative of the Declarant serving on the Board of Directors of the Association shall be required to disqualify herself or himself from voting on any contract or other matter between the Declarant and the Association notwithstanding any pecuniary or other interest of the Declarant. The Declarant shall not be disqualified from voting on any matter which may come before the membership of the Association with respect to any contract or other matter between the Declarant and the Association, notwithstanding any pecuniary or other

interest of the Declarant. Directors appointed by Declarant shall not be required to be owners or residents of Units in the Condominium. At least a majority of the Board of Directors who are elected by the members of the Association shall be owners of Units in the Condominium or shall be authorized representatives, officers or employees of a corporation or other organization which is the owner of a Unit.

20.3. DISSOLUTION OR MERGER OF DECLARANT. In the event of the dissolution of the Declarant or its merger or consolidation into any other entity which survives the Declarant, all rights of the Declarant under this Declaration of Condominium or any other Condominium Document shall pass to and may be exercised by its successor or survivor.

20.4. ASSIGNABILITY OF THE DECLARANT'S STATUS. The status, position and rights of the Declarant under this Declaration of Condominium, the Articles of Incorporation and the By-Laws of the Association are freely assignable, in whole or in part, and any party to whom assigned shall be entitled to exercise all of the rights so assigned. The Declarant shall have the right to appoint and designate a successor who shall succeed to the status, position and all of the rights and privileges of the Declarant under this Declaration of Condominium by a written instrument identifying and designating such successor executed in recordable form and, upon the recording of such instrument in the Public Records of Flagler County, Florida, the party named as successor shall succeed to all of the rights, privileges, exemptions and immunities of the Declarant under this Declaration of Condominium.

20.5. ASSESSMENT FOR CAPITAL IMPROVEMENTS; ACTIONS DETRIMENTAL TO SALES. Notwithstanding any other provision of this Declaration of Condominium or any other Condominium Document, so long as the Declarant holds a Unit or Units for sale in the ordinary course of business, none of the following actions may be taken without approval in writing by the Declarant:

20.5.1. Assessment of the Declarant as a Unit Owner for capital improvements or capital additions; and

20.5.2. any action by the Association which would be detrimental to the sales of Units by the Declarant or the completion of the Condominium by the Declarant, including such use of unsold Units and Common Elements and Association Property as may facilitate completion, sale, maintenance of a sales office, showing of the Property and display of signs; provided, an increase in Assessments for Common Expenses without discrimination against the Declarant shall not be deemed detrimental to the sales of Units.

20.6. CHANGES IN UNITS. The Declarant shall have the right, without the vote or consent of the Association or other Unit Owners, to (i) make alterations, additions or improvements in, to and upon Units owned by the Declarant, whether structural or non-structural; and (ii) change the floor plan and lay-out of any Unit owned by the Declarant; provided, however, that all material changes to the configuration or size of any Unit shall require the approval of members of the Association owning a majority of all of the Units in the Condominium. However, in no event shall any such alteration, improvement change or combination interfere with the structural support of any Unit or the Common Elements or Limited Common Elements or the provision of utility service to any Unit, the Common Elements

or Limited Common Elements, although Common Elements contained in walls, floors and ceilings between Units being combined may be penetrated or eliminated. The combination of Units shall not affect the interest in Common Elements, the share of Common Expense and Common Surplus or the voting rights appurtenant to the combined Unit which shall be treated for all such purposes as separate Units. Subject to the provisions of this Declaration, any Units combined may subsequently, at the expense of the Unit Owners thereof, be separated into separate and "discreet" or "distinct" Units as originally set forth in the Condominium Plot Plan; upon the approval of members of the Association owning not less than fifty-one percent (51%) of the Units in the Condominium. All work done in accordance with the provisions of this Article shall be done in compliance with all applicable laws and governmental regulations. Notwithstanding the provisions of Section 8.4 to the contrary, Declarant may not change the configuration or size of any condominium unit in any material fashion, materially alter or modify the appurtenances to the Unit, or change the proportion or percentage by which the owner of the Unit shares Common Expenses and owns the Common Surplus, unless the Declarant complies with the provisions of Section 718.110(4) of the Condominium Act.

## **21. RIGHTS OF MORTGAGEES.**

21.1. RIGHTS TO INFORMATION. Upon receipt by the Association from any Institutional First Mortgagee, guarantor or insurer of a copy of the mortgage held by such mortgagee, guarantor or insurer on a Unit, together with a written request from such mortgagee, or a guarantor or insurer of such mortgagee specifying the address to which the following items are to be sent, the Association shall timely send to such mortgagee, insurer or guarantor the following, and for which the Association may charge a reasonable fee:

21.1.1. a copy of a financial statement of the Association for the immediately preceding fiscal year;

21.1.2. written notice of the cancellation or termination by the Association of any policies of insurance covering the Condominium Property or the Association Property or any improvements thereon, or any fidelity bonds of the Association, except when the reason for the termination or cancellation of the insurance policy or bond is to change insurance companies or because the policy or bond is not needed or is not available;

21.1.3. written notice of any damage or destruction to the Common Elements, Limited Common Elements or Condominium Property or the Association property which affects a material portion of the Common Elements, Limited Common Elements or Condominium Property or the Association Property or the Unit securing its mortgage;

21.1.4. written notice of a condemnation or eminent domain proceeding affecting a material portion of the Condominium Property or the Unit securing its mortgage; and

21.1.5. written notice of failure by the Owner of a Unit encumbered by a first mortgage held by such institutional mortgagee, guarantor or insurer to pay any Assessments when such failure or delinquency has continued for a period of sixty (60) days or longer.

21.2. **FAILURE TO NOTIFY.** The failure of the Association to send any such notice to any such mortgagee, guarantor or insurer shall have no effect on any meeting, action or thing which was to have been the subject of such notice nor affect the validity thereof and shall not be the basis for liability on the part of the Association.

**22. ASSOCIATION AGREEMENTS.** The Association is authorized to enter into agreements to acquire leaseholds, memberships, and other possessory or use interest in lands or facilities such as country clubs, golf courses, marinas, and other facilities. Such interests need not be contiguous to the Property if they are intended to provide enjoyment, recreation, or other use or benefit to the Unit Owners.

**23. DISCLAIMER OF WARRANTIES.** Declarant hereby disclaims any and all and each and every express or implied warranties, whether established by statutory, common, case law or otherwise, as to the design, construction, continuation of any particular view (it being understood and agreed that construction on any adjacent properties may obstruct such view), sound and/or odor transmission or furnishing and equipping of the Condominium Property, including, without limitation, any implied warranties of habitability, fitness for a particular purpose or merchantability, compliance with plans, all warranties imposed by statute (other than those imposed by Section 718.203 of the Condominium Act, and then only to the extent applicable and not yet expired) and all other express and implied warranties of any kind or character. As to such warranties which cannot be disclaimed, and to other claims, if any, which can be made as to the aforesaid matters, all incidental and consequential damages arising therefrom are hereby disclaimed.

All Unit Owners, by virtue of acceptance of title to their respective units (whether from the Declarant or another party) shall be deemed to have automatically waived all of the aforesaid disclaimed warranties and incidental and consequential damages.

Lastly, each Unit Owner, by acceptance of a deed or other conveyance of a Unit, understands and agrees that there are various methods for calculating the square footage of a Unit, and that depending on the method of calculation, the quoted square footage of the Unit may vary by more than a nominal amount. Additionally, as a result of field construction, other permitted changes to the Unit, and settling and shifting of improvements, actual square footage of a Unit may also be affected. By accepting title to a Unit, the applicable Unit Owner(s) shall be deemed to have conclusively agreed to accept the size and dimensions of the Unit, regardless of any variances in the square footage from that which may have been disclosed at any time prior to closing, whether included as part of the Declarant's promotional materials or otherwise.

**24. COMMUNITY ASSOCIATION MEMBERSHIP AND OBLIGATIONS.** The Condominium exists within the Neighborhood, which is administered by the Neighborhood Association pursuant to the Neighborhood Declaration and within Hammock Dunes, which is administered by the Master Association pursuant to the Master Declaration. Unit Owners are members of, subject to, and are required to pay assessments to each of the Neighborhood Association and the Master Association.

**25. INDEMNIFICATION OF OFFICERS AND DIRECTORS.** The Association shall indemnify its directors, officers and committee members and may indemnify its employees and agents, to the fullest extent permitted by law against any and all expenses or liabilities incurred in defending civil, criminal or administrative proceedings resulting from the performance or attempted performance in good faith of their offices on behalf of the Association or its members. Such indemnification shall include advancement of expenses prior to the final disposition of any such proceedings and amounts paid in settlement of such proceedings, and such indemnification shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any document other than this Declaration of Condominium, by vote of the members or disinterested directors, or otherwise. This indemnification shall continue as to a person who has ceased to be a director, officer, committee member, employee or agent, and shall inure to the benefit of his or her heirs and personal representatives.

**26. ACCESS MONITORING.** The Association may maintain or support certain activities in the Condominium designed to make the Units and the Occupants safer than they otherwise might be. However, the Declarant, the Neighborhood Association, the Master Association and the Association shall have no obligation to undertake, maintain or support such activities nor shall they and their respective predecessors, successors, employees, officers, directors, affiliates, contractors or agents be considered insurers or guarantors (collectively, the "Companies") of security in the Condominium, the Neighborhood or elsewhere within Hammock Dunes, nor be held liable for any loss or damage by reason of failure to provide adequate security or the ineffectiveness of any security measures undertaken. All Unit Owners and occupants of any Unit, and all guests and invitees of any Unit Owner or occupant, acknowledge that the Declarant, the Association, the Neighborhood Association, the Master Association and the Companies do not represent or warrant that any fire protection system, burglar alarm system or other security system or device installed or employed may not be compromised or circumvented, that any such system will prevent loss by fire, smoke, burglary, theft, hold-up or otherwise, nor that any such system will in all cases provide the detection or protection for which the system is designed or intended. Unit Owners and occupants of any Unit and their guests and invitees are hereby put on notice of the provisions of this section and acknowledge by taking title or occupancy that the Declarant, the Association, the Neighborhood Association, the Master Association and the Companies are not insurers and that each Unit Owner and occupant and his, her or its tenants, guests and invitees assume all risks for loss or damage to persons, Units and the contents of Units and property brought on the Condominium. The Declarant, the Association, the Neighborhood Association, the Master Association and the Companies make no representation or warranty, express or implied, including any warranty of merchantability or fitness for any particular purpose, with respect to any fire or burglar alarm system or other security system installed or employed in the Condominium.

**27. PROXIMITY TO GOLF COURSE; ASSUMPTION OF RISK.** The Condominium is in close proximity to the Hammock Dunes Golf Course (the "Golf Course"). Each Unit Owner and each party occupying a Unit in the Condominium assumes the risk of golf balls being hit into his, her or its Unit, the Common Elements of the Condominium and any other part of Hammock Dunes and the risk of the potential bodily injury or damage to property which may result. Likewise, the Association assumes such risks. Each Unit Owner by taking title to a Unit and the Association by the submission of the Property to a condominium regime agree that neither the Declarant, the Master Association, the Neighborhood Association, the Companies nor any entity

designing, constructing, owning or managing the Golf Course shall be liable to the Unit Owner or the Association or any invitee of the Unit Owner or the Association for any loss or damage for personal injury, damage to property, trespass or any other alleged wrong attributable to any extent to the proximity of the Condominium or Hammock Dunes to the Golf Course, the operation of the Golf Course or any personal injury or property damage connected with the operation of the Golf Course. This release of liability shall apply, without limitation, to any such claim arising in whole or in part from the negligence of the Declarant, the Neighborhood Association and/or the Master Association or any other entity designing, constructing, managing or owning the Golf Course. The provisions of this Article shall apply as the Golf Course is originally designed and constructed and as it may be altered in design, layout and construction from time to time. Further, each Unit Owner agrees that it will indemnify and hold the indemnitees harmless from any and all claims, losses, damages and judgments made or ordered against any of the indemnitees by or in favor of any guest, invitee, tenant, contractor, licensee or resident of the Unit Owner for any loss or personal injury.

**28. SEVERABILITY AND NON-WAIVER.** If any provision of this Declaration or its exhibits as now constituted or as later amended or any section, sentence, clause, phrase or word, or the application thereof in any circumstances is held invalid, the validity of the remainder and of the application of any such provision, section, sentence, clause, phrase or word in other circumstances shall not be affected thereby.

**ARTICLES OF INCORPORATION**  
**OF**  
**CONDOMINIUM ASSOCIATION OF CASA BELLA I, INC.**  
**(A NONPROFIT FLORIDA CORPORATION)**

**ARTICLE I**  
**NAME**

The name of this corporation is Condominium Association of Casa Bella I, Inc. (the "Association").

**ARTICLE II**  
**PURPOSE AND LOCATION**

The purpose for which the Association is organized is to act as the governing association of the proposed Casa Bella I, a Condominium, located at 31 Avenue De La Mer, Palm Coast, Florida 32137 (the "Condominium").

**ARTICLE III**  
**MEMBERS**

The qualification of members and the manner of their admission shall be as follows: Any approved person or persons who hold title in fee simple to a unit in the Condominium shall by virtue of such ownership be a member of the Association. Provided however, that transfer of membership shall be made only as a part of and incident to the transfer of ownership of a Condominium Unit ("Unit") with such transfers being subject to and controlled by the transfer procedures set forth in the Declaration of Condominium (the "Declaration"). After receiving approval of the Association required by the Declaration, change of membership in the Association shall be established by recording in the Public Records of Flagler County, Florida, a deed or other instrument establishing record title to a unit in the Condominium and the delivery of a copy of the recorded instrument to the Association within a reasonable time following such recordation. Such delivery is not required for initial conveyances by WCI Communities, Inc., a Delaware corporation, its successors and assigns, as the developer of the Condominium ("Developer"). The owner designated by such instrument thereby becomes a member of the Association and the membership of the previous owner is thereby terminated.

**ARTICLE IV**  
**CORPORATE EXISTENCE**

The Association shall exist perpetually.

**ARTICLE V  
INCORPORATOR**

The name and residence of the incorporator is as follows:

Vivien N. Hastings  
24301 Walden Center Drive, Suite 300  
Bonita Springs, Florida 34134

The rights and interests of the Incorporator shall automatically terminate when these Articles are filed with the Secretary of State.

**ARTICLE VI  
MANAGEMENT**

**A. Corporate Affairs.** The affairs of the Association are to be managed initially by a Board of three (3) Directors (which may be expanded to five (5)) who will be appointed by the Developer as provided for in the By-Laws. Subsequent Boards may be composed of either three (3) or five (5) Directors.

**B. Standards.** A Director shall discharge his duties as a director, including any duties as a member of a committee: in good faith; with the care an ordinary prudent person in a like position would exercise under similar circumstances; and in a manner reasonably believed to be in the best interests of the Association. Unless a Director has knowledge concerning a matter in question that makes reliance unwarranted, a Director, in discharging his duties, may rely on information, opinions, reports or statements, including financial statements and other data, if prepared or presented by: one or more officers or employees of the Association whom the Director reasonably believes to be reasonable and competent in the manners presented; legal counsel, public accountants or other persons as to matters the Director reasonably believes are within the persons' professional or expert competence; or a committee of which the Director is not a member if the Director reasonably believes the committee merits confidence. A Director is not liable for any action taken as a director, or any failure to take action, if he performed the duties of his office in compliance with the foregoing standards.

**ARTICLE VII

**ARTICLE VIII  
DIRECTORS**

The number of persons constituting the first Board of Directors shall be three, and their names and addresses are as follows:

Bonita Springs, Florida 34134

The number of members of succeeding Boards of Directors shall be as provided from time to time by the By-Laws of the Association. Subject to the rights of the Developer to appoint members of the Board of Directors as hereinafter stated, the members of the Board of Directors shall be elected by the members of the Association at the annual meeting of the membership as provided in the By-Laws of the Association and shall be owners of Units in the Condominium ("Unit Owners") or shall be authorized representatives, officers or employees of a corporation or other organization which is a Unit Owner.

When Unit Owners other than the Developer own fifteen percent (15%) or more of the Units of the Condominium, the Unit Owners other than Developer shall be entitled to elect not less than one third of the member of the Board of Directors. Unit Owners other than Developer are entitled to elect not less than a majority of the members of the Board of Directors of the Association upon the earlier of:

- (a) Three (3) years after fifty percent (50%) of the units that will be operated ultimately by the Association have been conveyed to purchasers;
- (b) Three (3) months after ninety percent (90%) of the units that will be operated ultimately by the Association have been conveyed to purchasers;
- (c) When all the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by Developer in the ordinary course of business;
- (d) When some of the Units have been conveyed to purchasers and none of the others are being constructed or offered for sale by Developer in the ordinary course of business;

- (e) Seven (7) years after recordation of the Declaration of Condominium; or
- (f) Developer so declaring by written notice to the members.

Until such time as Unit Owners other than the Developer are entitled to elect one or more members of the Board of Directors as provided above, the Developer shall be entitled to designate and appoint all members of the Board of Directors. Developer is entitled to elect at least one (1) member of the Board of Directors as long as Developer holds for sale in the ordinary course of business at least five percent (5%) of the total Units in the Condominium. Following the time that Developer relinquishes control of the Association, Developer may exercise the right to vote any units owned by Developer in the same manner as any other unit owner except for purposes of reacquiring control of the Association or selecting the majority members of the Board of Directors.

Developer shall be entitled to designate and appoint all directors whom the other members shall not be entitled to elect. Directors appointed by Developer shall not be required to be owners or residents of Units in the Condominium. Any successor of Developer designated in the manner provided in the Declaration shall be entitled to the rights of Developer stated in this paragraph.

#### **ARTICLE IX BY-LAWS**

After turnover, the By-Laws of the Association are to be made, altered or rescinded by sixty-seven percent (67%) of the Voting Interests (as such term is defined in the Declaration) of the Association; prior to turnover by a majority of the Board of Directors alone.

#### **ARTICLE X AMENDMENTS**

**A. Notice.** Notice of a proposed amendment shall be included in the notice of any meeting at which the proposed amendment is to be considered and shall be otherwise given in the time and manner provided in Chapter 617, Florida Statutes and in Chapter 718, Florida Statutes (the "Condominium Act"). Such notice shall contain the proposed amendment or a summary of the changes to be affected thereby.

**B. Adoption.** Amendments shall be proposed and adopted in the manner provided in Chapter 617, Florida Statutes and in the Condominium Act (the latter to control over the former to the extent provided for in the Condominium Act).

**C. Amendment Limitation.** No amendment shall make any changes in the qualifications for membership, nor in the voting rights or property rights of members, nor any changes in Articles XIII or XIV of these Articles of Incorporation, without the approval in writing of all members and the joinder of all record owners of mortgages upon Units. No amendment shall be made that is in conflict with the Condominium Act, the Declaration or the By-Laws, nor shall any amendment make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of or reserved to the Developer and/or Institutional First Mortgagees, unless the Developer and/or the Institutional First

Mortgagees (as defined in the Declaration), as applicable, shall join in the execution of the amendment. No amendment to this Section shall be effective.

**D. Developer Amendments.** Notwithstanding anything herein contained to the contrary, to the extent lawful, the Developer may amend these Articles of Incorporation consistent with, or not prohibited by, the provisions of the Declaration allowing certain amendments to be effected by the Developer alone.

#### **ARTICLE XI VOTES**

Each Unit in the Condominium shall have one full indivisible vote.

#### **ARTICLE XII POWERS**

The powers of the Association shall be subject to and shall be exercised in accordance with the provisions hereof and of the Declaration, the By-Laws and the Condominium Act, provided that in the event of conflict, the provisions of the Condominium Act shall control over those of the Declaration and By-Laws.

#### **ARTICLE XIII INDEMNIFICATION PROVISIONS**

**A. Indemnities.** The Association shall indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the Association) by reason of the fact that he is or was a director, officer, employee or agent (each, an "Indemnitee") of the Association, against liability incurred in connection with such proceeding, including any appeal thereof, if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any proceeding by judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the best interests of the Association or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

**B. Indemnification.** The Association shall indemnify any person, who was or is a party to any proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, or agent of the Association against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made under this subsection in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of

competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

**C. Indemnification for Expenses.** To the extent that a director, officer, employee, or agent of the Association has been successful on the merits or otherwise in defense of any proceeding referred to in Article XIII, subsection A or B, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith.

**D. Determination of Applicability.** Any indemnification under Article XIII, subsection A. or B. unless pursuant to a determination by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, or agent is proper under the circumstances because he has met the applicable standard of conduct set forth in Article XIII, subsection A or B. Such determination shall be made:

1. By the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such proceeding;

2. If such a quorum is not obtainable or, even if obtainable, by majority vote of a committee duly designated by the Board of Directors (in which directors who are parties may participate) consisting solely of two (2) or more Directors not at the time parties to the proceeding;

3. By independent legal counsel:

a. selected by the Board of Directors prescribed in paragraph 1 or the committee prescribed in paragraph 2; or

b. if a quorum of the Directors cannot be obtained under paragraph 1 and the Committee cannot be designated under paragraph 2, selected by majority vote of the full Board of Directors (in which Directors who are parties may participate); or

4. By a majority of the voting interests of the members of the Association who were not parties to such proceeding.

**E. Determination Regarding Expenses.** Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, persons specified by Article XIII, subsection D.3. shall evaluate the reasonableness of expenses and may authorize indemnification.

**F. Advancing Expenses.** Expenses incurred by an officer or director in defending a civil or criminal proceeding may be paid by the Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if he or she is ultimately found not to be entitled to indemnification by the

Association pursuant to this section. Expenses incurred by other employees and agents may be paid in advance upon such terms or conditions that the Board of Directors deems appropriate.

**G. Exclusivity: Exclusions.** The indemnification and advancement of expenses provided pursuant to this section are not exclusive, and the Association may make any other or further indemnification or advancement of expenses of any of its directors, officers, employees, or agents, under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. However, indemnification or advancement of expenses shall not be made to or on behalf of any director, officer, employee, or agent if a judgment or other final adjudication establishes that his actions, or omissions to act, were material to the cause of action so adjudicated and constitute:

1. A violation of the criminal law, unless the director, officer, employee, or agent had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful;
2. A transaction from which the director, officer, employee, or agent derived an improper personal benefit; or
3. Willful misconduct or a conscious disregard for the best interests of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor or in a proceeding by or in the right of the members of the Association.

**H. Continuing Effect.** Indemnification and advancement of expenses as provided in this section shall continue as, unless otherwise provided when authorized or ratified, to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person, unless otherwise provided when authorized or ratified.

**I. Application to Court.** Notwithstanding the failure of the Association to provide indemnification, and despite any contrary determination of the Board or of the members in the specific case, a director, officer, employee, or agent of the Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the circuit court, or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice that it considers necessary, may order indemnification and advancement of expenses, including expenses incurred in seeking court-ordered indemnification or advancement of expenses, if it determines that:

1. The director, officer, employee, or agent is entitled to mandatory indemnification under Article XIII, subsection B in which case the court shall also order the Association to pay the director reasonable expenses incurred in obtaining court-ordered indemnification or advancement of expenses;
2. The director, officer, employee, or agent is entitled to indemnification or advancement of expenses, or both, by virtue of the exercise by the Association of its power pursuant to Article XIII, subsection G or

3. The director, officer, employee, or agent is fairly and reasonably entitled to indemnification or advancement of expenses, or both, in view of all the relevant circumstances, regardless of whether such person met the standard of conduct set forth in Article XIII, subsection A, subsection B, or subsection G, unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed indemnitee, that he did not act in good faith or acted in a manner he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or did act in a manner which he reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe that his conduct was unlawful.

**J. Definitions.** For purposes of this Article XIII, the term "expenses" shall be deemed to include attorneys' fees, including those for any appeals; the term "liability" shall be deemed to include obligations to pay a judgment, settlement, penalty, fine, and expenses actually and reasonably incurred with respect to a proceeding; the term "proceeding" shall be deemed to include any threatened, pending, or completed action, suit, or other type of proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal; and the term "agent" shall be deemed to include a volunteer; the term "serving at the request of the Association" shall be deemed to include any service as a director, officer, employee or agent of the Association that imposes duties on such persons.

**K. Amendment.** Anything to the contrary herein notwithstanding, no amendment to the provisions of this Article XIII shall be applicable as to any party eligible for indemnification hereunder who has not given his prior written consent to such amendment.

#### ARTICLE XIV DISTRIBUTION OF INCOME; DISSOLUTION

The Association shall not pay a dividend to its members and shall make no distribution of income to its members, directors or officers, and upon dissolution, all assets of the Association shall be transferred only to another nonprofit corporation or a public agency or as otherwise authorized by the Florida Not For Profit Corporation Act (Chapter 617, Florida Statutes).

**OF**

**CONDOMINIUM ASSOCIATION OF CASA BELLA I, INC.**

1. **IDENTITY.** These are the By-Laws of Condominium Association of Casa Bella I, Inc., a non-profit Florida corporation formed for the purpose of administering Casa Bella I, a Condominium ("Condominium"), which will be located in Palm Coast, Flagler County, Florida, upon the land described in Exhibit "A" to the Declaration of Condominium of Casa Bella I, a Condominium (the "Declaration"). (The corporation shall hereafter be referred to as the "Association.") Capitalized terms not otherwise defined by these By-Laws shall have the meaning ascribed to such terms in the Declaration.

1.1. **OFFICE.** The office of the Association shall be at the Condominium or such other location within Flagler County, Florida as may from time to time be determined by the Board of Directors.

1.2. **FISCAL YEAR.** The fiscal year of the Association shall be the calendar year, unless otherwise determined by the Board of Directors.

1.3. **SEAL.** The seal of the Association shall be circular in shape, bear the abbreviated name of the Association, the word "Florida," and the year of establishment, 200\_\_.

**2. MEMBERS' MEETINGS**

2.1. **ANNUAL MEETINGS.** Annual meetings of the members of the Association ("Members") shall be held at the Condominium or at such other convenient location, as may be determined by the Board of Directors, no later than the month of April each year, for the purpose of the election of the Board of Directors and for transacting any business authorized to be transacted by the Members.

2.2. **SPECIAL MEETINGS.** Special meetings of the Members shall be held whenever called by the President, Vice President or by a majority of the Board of Directors and when requested by written petition signed and dated from at least twenty-five percent (25%) of the total Voting Interests. Such petition shall state the purpose(s) of the meeting. The business at a special meeting requested by petition shall be limited to the items specified in the petition and contained in the notice of the meeting. If the Board of Directors adopts a budget requiring assessments exceeding one hundred fifteen percent (115%) of the assessments for the preceding year, the Board of Directors shall call a special meeting of the Unit Owners to consider and enact an alternate budget if the Board of Directors receives, within twenty-one (21) days after adoption of the annual budget, a written request from at least ten percent (10%) of the Voting Interests. The determination as to whether the assessments exceed one hundred fifteen percent (115%) shall be made in accordance with Section 718.112 (2)(e) of the Condominium Act. Members' meetings to recall a member or members of the Board of Directors may be called by ten percent (10%) of the Voting Interests. Electronic transmission may not be used as a method of giving notice of a meeting called in whole or in part for purpose of recalling a member or members of the Board of Directors.

**2.3. NOTICE OF MEMBERS' MEETINGS.** Notice of meetings of the Members, including a recall meeting and the annual meeting, which must include an identification of agenda items, shall be mailed, hand-delivered or electronically transmitted to each Unit Owner by United States mail, unless waived in writing, at least fourteen (14) days prior to the meeting; provided, however, that any election at which one (1) or more of the Board of Directors are to be elected must be noticed as provided for in Section 2.4. An officer of the Association, or the manager or other person providing notice at the meeting, shall execute an affidavit of mailing or delivery, per Section 718.112(2)(d)(2) of the Condominium Act, or provide a United States Postal Certificate of Mailing which shall be retained in the official records of the Association as proof of such mailing or delivery. Written notice of the meeting shall also be posted in a conspicuous place on the Condominium Property at least fourteen (14) continuous days prior to the annual meeting. The Board of Directors, upon notice to Unit Owners, shall, by duly adopted rule, designate a specific location on the Condominium Property upon which all notices of Unit Owner meetings shall be posted; however, if there is no Condominium Property or Association Property upon which notices can be posted, this requirement does not apply. In lieu of or in addition to the physical posting of notice of any meeting of the Unit Owners on the Condominium Property, the Association may, by reasonable rule, adopt a procedure for conspicuously posting and repeatedly broadcasting the notice and the agenda on a closed-circuit cable television system serving the Association. However, if broadcast notice is used in lieu of a notice posted physically on the Condominium Property, the notice and agenda must be broadcast at least four times every broadcast hour of each day that a posted notice is otherwise required by this Section 2.3. When broadcast notice is provided, the notice and agenda must be broadcast in a manner and for a sufficient continuous length of time so as to allow an average reader to observe the notice and read and comprehend the entire content of the notice and the agenda.

**2.4. BOARD ELECTION MEETINGS; NOTICE AND PROCEDURE.** The regular or general election shall occur at the time and place at which the annual meeting is scheduled to occur, regardless of whether a quorum is present.

**2.4.1.** Not less than sixty (60) days before a scheduled election, the Association shall mail, deliver or electronically transmit, whether by separate Association mailing or included in another Association mailing, delivery or transmission, including regularly published newsletters, to each Unit Owner entitled to vote, the first notice of the date of the election. It must contain the name and correct mailing address of the Association. Any Unit Owner or other eligible person desiring to be a candidate for the Board of Directors must give written notice to the Association not less than forty (40) days before a scheduled election. Together with the written notice and agenda as set forth in Section 2.3, the Association shall mail, deliver or electronically transmit a second notice of the election to all Unit Owners entitled to vote therein, together with a written ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet which must be furnished by the candidate not less than thirty-five (35) days before the election, on one side of a sheet, no larger than 8½ inches by 11 inches, to be included with the mailing, delivery or transmission of the ballot, with the costs of copying and mailing, delivery or electronic transmission to be borne by the Association. The Association shall not edit, alter, or otherwise modify the content of the information sheet and shall have no liability for its contents.

**2.4.2.** A voting machine may also be used by those attending the meeting in person, and a Unit Owner who needs assistance in voting, due to blindness, disability or inability to read or write, may obtain assistance from a member of the Board of Directors or other Unit Owner, but no Unit Owner shall permit another person to cast his or her ballot and any such ballots improperly cast shall be deemed invalid.

**2.4.3.** There is no quorum requirement, however, at least twenty percent (20%) of the eligible Voting Interests must cast a valid ballot to have a valid election and elections shall be decided by a plurality of those votes cast.

**2.4.4.** An election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board of Directors.

**2.4.5.** Notwithstanding anything to the contrary in this Section 2, the Association may, by the affirmative vote of a majority of the total Voting Interests, provide for different voting and election procedures in these By-Laws which vote may be by a proxy specifically delineating the different voting and election procedures. The different voting and election procedures may provide for elections to be conducted by limited or general proxy.

**2.5. NOTICE; OWNERS BUDGET MEETING.** Notice of a special meeting called by the Board of Directors at the written request of ten percent (10%) of the Unit Owners because of a budget exceeding one hundred fifteen percent (115%) of that of the preceding year requires not less than fourteen (14) days' written notice to each Unit Owner.

**2.6. NOTICES SPECIFIC.** All notices of meetings shall state clearly and particularly the time, place, and purpose or purposes of the meeting and shall incorporate an identification of agenda items.

**2.7. QUORUM.** A quorum at meetings of the Members shall consist of a majority of the Voting Interests of the entire membership. Except as otherwise provided in this Section 2.7, decisions made by a majority of the Voting Interests represented at a meeting, at which a quorum is present in person or by proxy, shall be binding and sufficient for all purposes except such decisions as may by Florida Statutes, Chapter 718 (the "Condominium Act"), or the Condominium Documents require a larger percentage in which case the percentage required in Condominium Act or the Condominium Documents shall govern.

**2.8. OWNER PARTICIPATION.** Unit Owners shall have the right to participate in meetings of Members with reference to all designated agenda items. However, the Association may adopt reasonable rules governing the frequency, duration and manner of Unit Owner participation. Such rules must be adopted in advance and in written form. Any Unit Owner may tape record or videotape a meeting of the Unit Owners subject and pursuant to rules adopted from time to time by the Division of Florida Land Sales, Condominiums and Mobile Homes.

**2.9. INDIVISIBLE VOTE.** Each Unit shall have one indivisible vote. If multiple owners of a Unit cannot agree on a vote, the vote shall not be counted. Voting certificates are not authorized.

**2.10. PROXIES.** Votes may be cast in person or by proxy. Proxies shall be in writing, signed and dated and shall be valid only for the particular meeting designated therein or an adjournment thereof, but in no event for more than ninety (90) days, and must be filed with the Secretary before or at the voter registration immediately preceding the meeting. Except as specifically otherwise provided in this Section, or by the Condominium Act from time to time, Unit Owners may not vote by general proxy, but may vote by limited proxies substantially conforming to the limited proxy form adopted by the Division of Florida Land Sales, Condominiums and Mobile Homes. Both limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes taken to waive or reduce reserves; for votes taken to waive financial statement requirements; for votes taken to amend the Declaration; for votes taken to amend the Articles of Incorporation or By-Laws; and for any

other matter which the Condominium Act requires or permits a vote of the Unit Owners. No proxy, limited or general, shall be used in the election of Board members unless an alternate election procedure is adopted pursuant to Section 2.4.5. above. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given.

**2.11. NO QUORUM.** If any meeting of Members cannot be organized because a quorum is not present, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

**2.12. ORDER OF BUSINESS.** The order of business at annual meetings of the Members and, as far as applicable at all other meetings of the Members, may be:

### **3. BOARD OF DIRECTORS**

**3.1. NUMBER OF DIRECTORS.** The affairs of the Association shall be governed initially by a Board of Directors composed of three (3) persons appointed by the Developer. The Developer-appointed Board members may be, at the Developer's option, expanded to five (5) persons. The Board of Directors, after turnover of control by the Developer, may consist of three (3) or five (5) persons, as may be determined from time to time by the Voting Interests of the Association.

**3.2. QUALIFICATIONS.** A Director must be a natural person of at least eighteen (18) years of age, but need not be a citizen of the United States of America. All non-Developer Board members shall be Members or spouses of Members, or a shareholder, officer, partner or director of a Member. All officers of a corporation, trust, partnership or other such owner shall be deemed to be Members so as to be eligible for Board of Directors' membership.

**3.3. ELECTION.** The Board of Directors shall be elected by the Voting Interests as to regular or general elections at the time and place at which the annual meeting is scheduled to occur regardless of whether a quorum is present, except for Developer-appointed Board members.

**3.4. TERM OF SERVICE.** At and after turnover, Board members elected by the Voting Interests shall be elected for staggered two (2) year terms. At the election held in conjunction with turnover, a majority of the Board members elected shall be elected for two (2) years and the balance elected for one (1) year to provide continuity. Those persons receiving the highest number of votes shall serve the two (2) year terms. In the event of a tie for a designated position on the Board of Directors, the tie shall be resolved by agreement of the candidates, if possible; otherwise the winning Board member shall be chosen in a blind drawing. The term of each Board member's service, except in the case of a vacancy caused by recall, shall extend until their elected term is completed and thereafter until their successor is duly elected and qualified or until a Board member is recalled in the manner provided in the Condominium Act by a majority of the Voting Interests entitled to elect such Board member. A Board member appointed by the Board of Directors to replace a recalled Board member shall fill the vacancy until the next regularly scheduled election for any position. A seat held by a Board member who ceases to be an owner shall thereby automatically become vacant.

**3.5. REMOVAL OF DIRECTORS AND BOARD VACANCIES.** Any director elected by the Voting Interests may be recalled and removed, with or without cause, in the manner provided in the Condominium Act. Any director whose removal is sought shall be given notice prior to any meeting called for that purpose in the manner provided in the Condominium Act. Vacancies in the Board of Directors occurring between annual meetings of Members shall be filled by appointment by a majority vote of the remaining Board of Directors; provided, however, that if a majority or more of the Board members are removed by recall, the vacancies shall be filled in accordance with Rule 61B-23.0027 (if at a meeting) or with Rule 61B-23.0028 (if by written agreement) of the Florida Administrative Code; provided further that a Board member who has been recalled by the Members may not be appointed to fill the vacancy created by his or her removal; and further provided that following relinquishment of Developer control during the time that both the Developer and Unit Owners other than the Developer have representation on the Board of Directors pursuant to Section 718.301(1)(e) of the Condominium Act, the Developer-appointed Board members may not vote on selecting the majority members of the Board of Directors. A Board member elected or appointed to fill a vacancy shall be elected or appointed for a term specified by law.

**3.6. ORGANIZATIONAL MEETING.** The organizational meeting of each newly elected Board of Directors to elect officers shall be properly noticed pursuant to Section 718.112(2)(c) of the Condominium Act and held at such place and time as shall be fixed by the Board of Directors, provided a quorum shall be present. Unless otherwise noticed, it shall be held immediately following the annual meeting. Election of officers may be by secret ballot.

**3.7. REGULAR MEETINGS.** Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Board of Directors. Notice of regular meetings, unless noticed previously, shall be given to each Board member personally, by electronic mail or by mail, telephone or telecopier at least forty-eight (48) hours prior to the day named for such meeting.

**3.8. SPECIAL MEETINGS.** Special meetings of the Board of Directors may be called by the President and must be called by the Secretary at the written request of any two (2) Board members. Not less than forty-eight (48) hours' notice of the meeting (except in an emergency) shall be given personally, by electronic mail or by mail, telephone or telecopier, which notice shall state the time, place and purpose of the meeting.

**3.9. WAIVER OF NOTICE.** Any Board member may waive notice of a meeting before, at or after the meeting and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Board member at a meeting shall constitute waiver of notice of the meeting.

**3.10. NOTICE TO OWNERS.** Notices of Board of Directors' meetings, and meetings of committees to take final action on behalf of the Board of Directors or, to make recommendations regarding the Association budget, shall be posted conspicuously on the Condominium Property at least forty-eight (48) continuous hours in advance for the attention of Unit Owners, except in an emergency. Notices shall specifically incorporate an identification of agenda items. Meetings at which a regular assessment is to be considered shall contain a statement that assessments will be considered and the nature of such assessments. However, written notice of any meeting at which non-emergency special assessments, or at which amendment to rules regarding unit use will be proposed, discussed, or approved, shall be mailed, delivered or electronically transmitted to the Unit Owners and posted conspicuously on the Condominium Property not less than fourteen (14) days prior to the meeting. Evidence of compliance with this fourteen (14) day notice shall be by an affidavit executed by the person providing the notice and filed among the official records of the Association. Upon prior notice to the Unit Owners, the Board of Directors shall by duly adopted rule designate a specific location on the Condominium Property, upon which all notices of Board of Directors' meetings shall be posted. The Board of Directors, upon notice to Unit Owners, shall, by duly adopted rule, designate a specific location on the Condominium Property or Association Property upon which all notices of Unit Owner meetings shall be posted. If there is no Condominium Property or Association Property upon which notices can be posted, notices of Board of Directors meetings shall be mailed, delivered or electronically transmitted to each Unit Owner at least fourteen (14) days before the meeting. In lieu of or in addition to the physical posting of notice of any meeting of the unit owners on the Condominium Property, the Association may, by reasonable rule, adopt a procedure for conspicuously posting and repeatedly broadcasting the notice and the agenda on a closed-circuit cable television system serving the Association. However, if broadcast notice is used in lieu of a notice posted physically on the Condominium Property, the notice and agenda must be broadcast at least four times every broadcast hour of each day that a posted notice is otherwise required by this Section 3.10. When broadcast notice is provided, the notice and agenda must be broadcast in a manner and for a sufficient continuous length of time so as to allow an average reader to observe the notice and read and comprehend the entire content of the notice and the agenda.

**3.11. OWNER PARTICIPATION.** Meetings of the Board of Directors and any committee thereof required to give notice pursuant to Section 3.8 above, at which a quorum of the members of that committee are present, shall be open to all Unit Owners. The right to attend such meetings includes the right to speak with reference to all identified agenda items; provided, however, the Association may adopt reasonable rules governing the frequency, duration and manner of unit owner participation. Such rules must be adopted in advance and in written form. Unit Owners shall have the right to tape record or videotape the meetings of the Board of Directors or committee, subject and pursuant to rules adopted from time to time by the Division of Florida Land Sales, Condominiums and Mobile Homes.

**3.12. BOARD MEETINGS, QUORUM AND VOTING.** A quorum at Board of Directors' meetings shall consist of a majority of the Board of Directors. The acts approved by a majority of Board of Directors present at a meeting, at which a quorum is present, shall constitute the acts of the Board of Directors. The Board of Directors may not vote by proxy or by secret ballot at Board of Directors' meetings, except as may be provided by the Condominium Act from time to time, and a vote or abstention for each member present shall be recorded in the minutes. If at any meeting of the Board of Directors there shall be less than a quorum of Board members present, the Board member(s) present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting, which must be properly noticed, any business which might have been transacted at the meeting as originally called

may be transacted. Absent Board members may later sign written joinders in Board actions, but such joinders may not be used for purposes of creating a quorum and may not be used as a vote for or against any action taken at the meeting.

**3.13. PRESIDING OFFICER.** The presiding officer at Board of Directors' meetings shall be the President, if such an officer has been elected; and if none, then the Vice President shall preside. In the absence of the presiding officer, the Board members present shall designate one of the Board members present to preside.

**3.14. DIRECTOR COMPENSATION.** Board members shall serve without pay, unless the Voting Interests annually authorize Board members' fees. Board members shall be entitled to reimbursement for expenses reasonably incurred.

**4. POWERS AND DUTIES OF THE BOARD OF DIRECTORS.** All of the powers and duties of the Association existing under the Florida Not-For-Profit Corporation Statute, the Condominium Act, the Declaration of Condominium, Articles of Incorporation and these By-laws shall be exercised exclusively by the Board of Directors, or its duly authorized agents, contractors, or employees subject only to the approval by Unit Owners when such is specifically required. Such powers and duties of the Board of Directors shall include, but shall not be limited to, the following:

**4.13. TO COMPLY WITH REQUIREMENTS FOR ENTERING CONTRACTS FOR PRODUCTS AND SERVICES** - All contracts for the purchase, lease or renting of materials or equipment or for services, or such other contracts which are not to be fully performed within one (1) year, shall be in writing. As to any such contract which requires payment exceeding five percent (5%) of the total annual budget of the Association including reserves except for contracts with employees of the Association, and for attorneys, accountants, community association managers, architects, engineers and landscape architects, the Association shall obtain competitive bids unless the products and services are needed as the result of an emergency or unless the desired supplier is the only source of supply within Flagler County, Florida. The Association need not accept the lowest bid. This Section shall be deemed to incorporate the provisions of the Condominium Act as it exists from time to time.

**4.14. TO LEVY FINES** - The Board of Directors may, pursuant to Section 718.303 of the Condominium Act, impose fines not to exceed \$100.00 per violation, for failure to comply with the provisions of the Declaration of Condominium, these By-Laws or the reasonable rules and regulations of the Association, by owners, occupants, licensees, tenants and invitees. A fine may be imposed for each day of continuing violation with a single notice and opportunity for hearing, provided that no fine shall in the aggregate exceed \$1,000.00.

**4.14.1. HEARING NOTICE.** The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing after reasonable notice of not less than fourteen (14) days. Said notice shall include:

**4.14.3. HEARING COMMITTEE.** The hearing must be held before a committee of other Unit Owners, none of whom are members or spouses of the Board of Directors. If the committee does not agree with the fine, the fine may not be levied.

**4.15. TO APPOINT COMMITTEES.** The Board of Directors may appoint committees, except that a committee for the purpose of nominating candidates for election to the Board of Directors is prohibited. The Board of Directors may, however, appoint a search committee to encourage qualified persons to become candidates for the Board of Directors. All committees and committee members shall serve at the pleasure of the Board of Directors.

**4.16. TO MAINTAIN FIRE SAFETY COMPLIANCE.** The Board of Directors may accept a Certificate of Compliance from a licensed electrical contractor or electrician as evidence of compliance of the Condominium Units with the applicable Fire and Life Safety Code.

For this reason and for the purpose of preserving the aesthetic appearance of the building, hurricane shutters shall not be installed on any windows or sliding glass doors in the condominium residences. 4.18. **TO CONVEY TO CONDEMNING AUTHORITIES.** To convey a portion of the Common Elements to a condemning authority for the purpose of providing utility easements, right of way expansion, or other public purposes, whether negotiated or as the result of eminent domain proceedings.

It shall include reserves pursuant to Section 718.112(2)(F)(2) of the Condominium Act that may later be waived or reduced by a majority vote at a duly called meeting of the Association. Reserve funds and any accrued interest on the funds shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the applicable Voting Interests voting in person or by proxy at a duly called meeting of the Association. The budget will contain a reasonable allowance for contingencies and provide funds for all unpaid operating expenses previously incurred. If at any time a budget shall prove insufficient, it may be amended by the Board of Directors for the remaining portion of the fiscal year.

**7.2. NOTICE OF BUDGET MEETING.** At least fourteen (14) days prior to the meeting of the Board of Directors at which the budget will be considered, the Board of Directors shall hand deliver to each Unit Owner, or mail to each Unit Owner at the address last furnished to the Association by the Unit Owner, or electronically transmit to the location furnished by the Unit Owner for that purpose, a notice of the meeting together with a copy of the proposed annual budget. **7.3. ASSESSMENTS.** The shares of the Unit Owners of the Common Expenses may be made payable in installments of from one (1) to three (3) months in advance and shall become due on the first day of each such period and which shall become delinquent if not received ten (10) days thereafter. The Association shall have the right to accelerate assessments of an owner delinquent in the payment of Common Expenses. Accelerated assessments shall be due and payable on the date a claim of lien is filed in the Public Records of Flagler County, Florida and may include the amounts due for the remainder of the fiscal year for which the claim of lien was filed.

**7.5. ASSESSMENT ROLL.** The assessments for Common Expenses and charges shall be set forth upon a roll of the units which shall be available for inspection at all reasonable times by Unit Owners. Such roll shall indicate for each unit the name and address of the Unit Owner, and the assessments and charges paid and unpaid. Additionally, a Unit Owner shall be jointly and severally liable with the previous owner for all unpaid assessments due and payable up to the time of transfer of title. Liability may not be avoided by waiver of the use or enjoyment of any Common Elements or Association Property or by abandonment of the unit for which the assessments are made. The liability of a first mortgagee or its successor or assignees who acquire title to a unit by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that became due prior to the mortgagee's acquisition of title is limited to the lesser of: (1) the Unit's unpaid Common Expenses and regular periodic assessments which accrued or came due during the six (6) months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (2) one percent (1%) of the original mortgage debt. This limitation shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location which was known to, or reasonably discoverable by the mortgagee. The person acquiring title shall pay the amount owed to the Association within thirty (30) days after transfer of title. Failure to pay the full amount of assessments when due shall entitle the Association to record a claim of lien against the parcel and proceed in the same manner as provided in this section for the collection of unpaid assessments. This Section shall be deemed amended so as to incorporate the provisions of Section 718.116 of the Condominium Act as amended from time to time.

**7.7. LIENS FOR ASSESSMENTS.** The unpaid portion of an assessment including an accelerated assessment which is due, together with costs, interest and reasonable attorneys' fees for collection, shall be secured by a lien upon the unit and all appurtenances thereto when a notice claiming the lien has been recorded by the Association in accordance with the requirements of Section 718.116 of the Condominium Act.

In addition to such interest the Association may charge an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each installment of the assessment for which payment is late. All payments upon account shall be first applied to interest, then the late fee, then to any costs and reasonable attorneys' fees and then to the assessment payment first due. All interest collected shall be credited to the common expense account.

**7.10. COLLECTION; SUIT.** The Association, at its option, may enforce collection of delinquent assessments by suit at law, by foreclosure of the lien securing the assessments, or by any other remedy available under the laws of the State of Florida, and in any event the Association shall be entitled to recover the payments which are delinquent at the time of collection, judgment or decree, together with those which have become due by acceleration plus interest thereon and all costs incident to the collection and the proceedings, including reasonable attorneys' fees, including appeals. The Association must deliver or mail by certified mail to the Unit Owner a written notice of its intention to foreclose the assessment lien thirty (30) days before commencing foreclosure, unless Notice of Contest of Lien has been filed. The lien created by Section 718.116(5)(a) of the Condominium Act shall secure only assessments, interest, costs and attorneys fees and not fines, charges or other fees.

**7.11. ACCOUNTS.** All sums collected from assessments or charges shall be credited to accounts from which shall be paid the expenses for which the respective assessments or charges are made.

**7.12. 3. The second full paragraph of Section 11.1 of the Declaration is deleted and replaced in its entirety with the following:

Notwithstanding anything contained in this Declaration of Condominium, the Articles of Incorporation or the By-Laws to the contrary, from the recording of this Declaration until the earlier of six (6) months from the recording of the Declaration of Condominium, or the date on which the Declarant shall first give written notice to Unit Owners of the first meeting of Unit Owners at which they will elect a majority of the Board of Directors, the Declarant is not obligated to pay assessments on Units which it owns, but the Declarant guarantees that until the earlier of said dates Assessments will not increase over the stated dollar amounts specified in the Prospectus.
