The Association is responsible for the maintenance, repair and replacement of all exterior walls of the building, support columns and the concrete slabs. An owner who desires to install in place of carpeting any hard-surface floor covering (e.g. marble, slate, ceramic tile, parquet) must also install a sound absorbing underlayment and shall obtain the written approval of the Board of Directors prior to any such installation. If the installation is made without prior approval, the Board may, in addition to exercising all the other remedies provided in this Declaration, require the unit owner to cover all such hard-surface flooring with carpeting, or require the removal of such hard-surface flooring at the expense of the offending unit owner. The structural integrity of terraces

nstructed of steel reinforced concrete is adversely affected by water intrusion and rusting gravated by the water retention qualities of indoor-outdoor carpet, river rock and unglazed ramic tile and its grout. For this reason no indoor-outdoor carpet or river rock may be used on races, and all tile and its bedding and grout must be of such materials and so applied as to be iterproof. Any flooring installed on the terrace of a unit shall be installed so as to insure proper ainage.

a unit owner makes any modifications, installations or additions to his unit or the common elements or neglects to maintain, repair and replace as required by this Section 6, the unit owner, and his successors in title, shall be financially responsible for:

6.3.5.1. Maintenance, repair and replacement of the modifications, installations or additions;

6.3.5.2. The costs of repairing any damage to the common elements or other units resulting from the existence of such modifications, installations or additions;

6.3.6. USE OF LICENSED AND INSURED CONTRACTORS —

Whenever a unit owner contracts for maintenance, repair, replacement, alteration, addition or improvement of any portion of the unit or common elements, whether with or without Association approval, such owner shall be deemed to have warranted to the Association and its members that his contractor(s) are properly licensed and fully insured, and that the owner will be financially responsible for any resulting damage to persons or property not paid by the contractor's insurance.

The expenses of such contractual undertakings to the Association shall be a common expense. All maintenance, repairs and replacements not covered by the contracts shall remain the responsibility of the unit owner. Because the expenses are common expenses, an election by a unit owner not to take advantage of the services or maintenance provided by such contracts shall not excuse the owner from paying his share of the cost.

6.5. OWNER ALTERATION OF COMMON ELEMENTS RESTRICTED

— No unit owner may make any alterations, add to, or remove any part of the portions of the improvements that are to be maintained by the Association without the prior written approval of the Board of Directors. The Board has the authority to approve, disapprove, or require modifications to the proposed work. The Board's decision will be determinative of the matter. The owner must obtain all necessary approvals and permits from applicable government entities. The Association

may require approval from engineers or other professionals as a prerequisite. The entire expense must be borne by the owner, including any subsequent maintenance and restoration. No owner will do any work that would jeopardize the safety or soundness of the building, increase insurance requirements or premiums or impair any easements. If approved by the Board, two units owned by the same owner that are adjacent horizontally, may be connected by doorways through common element walls. Such Board approved work is declared not to constitute material alterations or substantial additions to the common elements.

7. COMMON ELEMENTS

7.3. **MATERIAL ALTERATIONS AND ADDITIONS** — Except for changes made by an owner with Association approval as provided in Section 6.5. above, or by the Board of Directors alone for the integrity of the Condominium Property, material alteration of or substantial additions to the common elements or to Association property including the purchase, acquisition, sale, conveyance, or mortgaging of such property may be effectuated only by vote of two thirds of the voting interests of the Association at a meeting called for that purpose. If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its rights to subrogation as to any claim against unit owners, the Association, or their respective servants, agents or guests.

10.5. SHARES OF INSURANCE PROCEEDS —

All proceeds of insurance policies purchased by the Association shall be payable to the Association. The duty of the Association shall be to receive such proceeds and hold and disburse them for the purposes stated herein in the following shares:

10.5.1. COMMON ELEMENTS —

Proceeds on account of damage to common elements shall be held in as many undivided shares as there are units, the shares of each unit owner being the same as his share in the common elements.

10.5.2. UNITS —

Proceeds on account of damage to units shall be held in as many undivided shares as there are damaged units, the share of each owner being in proportion to the cost of restoring the damage suffered by each such unit.

10.5.3. MORTGAGEES —

If a mortgagee endorsement has been issued as to a unit, the shares of the mortgagee and the unit owner shall be as their interests may appear. In

BOOK 1063 PAGE: 1316

no event shall any mortgagee have the right to demand application of insurance proceeds to any mortgage or mortgages which it may hold against units except to the extent that insurance proceeds exceed the actual costs of repair or restoration of the damaged improvements, and no mortgagee shall have any right to participate in determining whether improvements will be restored after casualty. The Association shall pay all policy deductible amounts on Association policies.

10.6. DISTRIBUTION OF INSURANCE PROCEEDS — Proceeds of insurance policies received by the Association shall be distributed for the benefit of the unit owners in the following manner:

10.6.1. COST OF RECONSTRUCTION OR REPAIR — If the damage for which the proceeds are paid is to be repaired or reconstructed by the Association, the proceeds shall first be paid to defray the costs thereof. Any proceeds remaining after defraying costs shall be retained by to the Association.

10.6.2. FAILURE TO RECONSTRUCT OR REPAIR — If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds after expenses shall be distributed to the beneficial owners. The remittances to unit owners and their mortgagees shall be payable jointly to them. This is a covenant for the benefit of mortgagees and may be enforced by them.

10.7. ASSOCIATION AS AGENT — The Association is hereby irrevocably appointed agent for each unit owner to adjust all claims arising under insurance policies purchased by the Association.

11. RECONSTRUCTION OR REPAIR AFTER CASUALTY — If any part of the Condominium Property is damaged by casualty, whether and how it shall be reconstructed or repaired shall be determined as follows:

11.1. DAMAGE TO UNITS — Where loss or damage is only to those parts of a unit for which the responsibility of maintenance and repair is that of the unit owner, any Association insurance proceeds on account of the damage, less the deductible, shall be distributed to such contractors, suppliers and personnel for work done, materials supplied or services required for reconstruction or repair. Payments shall be in such amounts and at such times as the unit owners may direct. The owners of damaged units shall be responsible for reconstruction and repair and shall bear the cost thereof, if any, in excess of the insurance proceeds.

11.2. DAMAGE TO COMMON ELEMENTS — LESS THAN “VERY SUBSTANTIAL” — Where loss or damage occurs to the common elements, but the loss is less than “very substantial”, as hereinafter defined, it shall be mandatory for the Association to repair, restore or rebuild the damage caused by the loss, and the following procedures shall apply:

11.2.1. ESTIMATES — The Board of Directors of the Association shall promptly obtain reliable and detailed estimates of the cost of reconstruction and repair, and shall negotiate and contract for the work.

11.2.2. INSURANCE INSUFFICIENT — If the net proceeds of insurance plus available reserves are insufficient to pay for the cost of reconstruction and repair of the common elements, the Association shall promptly, upon determination of the deficiency, levy a special assessment against all unit owners. Such special assessments need not be approved by the unit owners. The special assessments shall be added to the proceeds available for reconstruction and repair of the property.

11.2.3. “VERY SUBSTANTIAL” DAMAGE — As used in this Declaration, the term “very substantial” damage shall mean loss or damage whereby $3/4^{\text{th}}$ or more of the total units are rendered uninhabitable. Should such “very substantial” damage occur, then:

11.2.3.1. OWNERS' MEETING — A meeting of the Association shall be called by the Board of Directors to be held within a reasonable time after the casualty. A determination by the Board of Directors as to what is a reasonable time shall be conclusive. The purpose of the meeting shall be to determine the wishes of the membership with reference to reconstruction or termination of the Condominium, subject to the following:

11.2.3.1.1. INSURANCE SUFFICIENT — If the insurance proceeds and reserves available for reconstruction and repair are sufficient to cover the cost thereof, so that no special assessment is required, then the Condominium Property shall be reconstructed or repaired unless the then applicable zoning or other regulatory laws will not allow reconstruction of the same number and general type of units, in which case the Condominium shall be terminated pursuant to Section 16.2.

11.2.3.1.2. INSURANCE INSUFFICIENT — If the insurance proceeds and reserves available for reconstruction and repair are not sufficient to cover the cost thereof so that a special assessment will be required, then unless at least two thirds of the voting interests of the Association vote in favor of such special assessment and against termination of the Condominium, it shall be terminated pursuant to Section 16.2. If two thirds of the voting interests of the Association approve the special assessment, the Association, through its Board, shall levy such assessment and shall proceed to negotiate and contract for such reconstruction and repairs. The special assessment shall be added to the proceeds of insurance and reserves available for reconstruction and repair of the property.

11.2.4. DISPUTES — If any dispute shall arise as to whether "very substantial" damage has occurred, a determination by the Board of Directors shall be binding upon all unit owners.

11.3. APPLICATION OF INSURANCE PROCEEDS — It shall be presumed that the first monies disbursed for reconstruction and repair shall be from the insurance proceeds and they shall first be applied to reconstruction of the common elements and Association property and then to the units; if there is a balance in the funds held by the Association after the payment of all costs of reconstruction and repair, such balance shall be retained by the Association. However, if special assessments were made pursuant to Section 11.2.3.1.2. hereof, then all or a part of the remaining money shall be returned to the unit owners paying said assessments pro-rata, according to the amount each paid, up to the full amount each paid, and then to the Association.

11.4. EQUITABLE RELIEF — In the event of substantial damage to the Condominium Property, and if the property is not reconstructed or repaired within a reasonable period of time, any unit owner may petition a court for equitable relief, which may include a termination of the Condominium and a partition. For the purposes of this provision, it shall be conclusively presumed that reconstruction or repair has occurred within a reasonable period of time if substantial work is commenced within such time following the damage or destruction as is determined by the Board of Directors to be reasonable and the work proceeds without intentional and unwarranted delay to completion.

11.5. PLANS AND SPECIFICATIONS — Any reconstruction or repairs must be substantially in accordance with the plans and specifications for the original buildings, or in lieu thereof, according to plans and specifications approved by the Board of Directors and by the owners of 67% of the voting interests of the Association and the Hammock Dunes Owners' Association, Inc.

12. USE RESTRICTIONS — The use of the property of the Condominium shall be in accordance with the Rules and Regulations attached hereto and incorporated herein as Exhibit "D" and the following provisions:

12.1. . LAWFUL USE — All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair upon Condominium Property shall be the same as the responsibility for the repair and maintenance of the property as expressed earlier in this Declaration.

12.2. RULES AND REGULATIONS — The rules and regulations attached hereto as Exhibit "D" and made a part hereof by reference concerning the use of the Condominium Property including the units may be amended from time to time by the Board of Directors. Copies of the regulations and amendments shall be furnished by the Association to all unit owners. No new or amended regulation may be enforced prior to distribution to the owners. Changes in the Rules and Regulations must be recorded in the Public Records of Flagler County.

12.3. USE AND OCCUPANCY OF THE UNITS is restricted to one family and their guests per unit only. Occupancy by guests in the absence of the unit owner is limited to two times per calendar year for maximum periods of 14 days. These use restrictions shall not be construed in such a manner as to prohibit a unit owner from maintaining his personal professional library, keeping his personal business or professional records or accounts or handling his personal, business or professional telephone calls or correspondence in and from his unit. Such uses are expressly declared customarily incident to the principal residential use. All guests must be registered with the Association upon arrival.

12.4. ACCESS TO UNITS — The Association has an irrevocable right of access to the units during reasonable hours when necessary for the purpose of maintenance, repair and replacement of the common elements or of any portion of a unit to be maintained by the Association pursuant to this Declaration or for making emergency repairs which are necessary to prevent damage to the common elements or to another unit or units. The owner of a unit has a right of access through the Association to any adjoining unit as and if it is reasonably

necessary in order to maintain, repair or replace parts of the owner's unit. The right of access to a unit shall be exercised after reasonable notice to the unit owners, unless such notice is not possible or practical under the circumstances, and with due respect for the occupants' rights to privacy and freedom from unreasonable annoyance, with reasonable precautions to protect the personal property within the unit. The Association requires and shall retain a pass-key to all units. No unit owner shall install or alter any lock that prevents access while the unit is unoccupied without providing the Association with a key.

12.5. PARKING — Each unit shall always have the exclusive use of the following allocated parking spaces: Two bedroom units shall always have the exclusive use of one garage parking space, three and four bedroom units and penthouses (7th level) shall have the exclusive use of two garage parking spaces. Allocations will be made initially by the Developer by a recorded written instrument. Garage spaces not so assigned may be assigned by the Developer for a valuable consideration. Later, in the event that two or more unit owners wish to exchange space or spaces, they may do so by surrendering their allocation instruments to the Association who shall re-issue allocation instruments reflecting the exchange. Allocations may only be changed with the written consent of the holder; provided, however, the Association if required by a change in controlling federal or Florida law, shall have the absolute right to make allocations or re-allocations of spaces in the garage to accommodate the needs of handicapped persons. Allocated spaces while allocated shall constitute Limited Common Elements appurtenant to units, subject to severance as contemplated herein. No non-unit owner shall hold a parking space allocation in the garage and allocated spaces in the garage shall pass with the title to the unit.

12.6. PARKING SPACES AND STORAGE LOCKERS — EXCLUSIVE USE AND TRANSFER OF USE RIGHTS — The exclusive right to use a limited common element is an appurtenance to the unit or units to which it is designated or assigned. If, after all of the units have been sold, the exclusive use of any assignable limited common element was not, for

any reason, assigned to the use of a specific unit or units by the Developer, the Association may do so. The right of exclusive use of each limited common element passes with the unit to which it is assigned, whether or not separately described, and cannot be separated from it; except that the use rights to particular parking spaces and storage lockers may be exchanged between units, or transferred to another unit, as follows:

12.6.1. The unit owners desiring to exchange such use rights shall execute a Certificate of Transfer in recordable form, which shall include the recording data identifying this Declaration, and be executed by the owners with the formalities required for the execution of a deed.

12.6.2. The transfer of use rights shall be complete and effective when the Certificate is recorded in the Public Records of Flagler County, Florida. The costs of preparing and recording the Certificate shall be borne by the unit owners desiring the exchange or transfer. A copy of the recorded Certificate shall be provided to the Association for its records.

12.7. PETS — TENANTS AND GUESTS — Pets shall be as allowed and regulated in the Rules and Regulations (Exhibit "D"). However, tenants and guests shall not be permitted to have pets.

12.8. EXCLUSIVE USE — COMMON FACILITIES — The Neighborhood Association may lease to unit owners for appropriate temporary periods of time those portions of the common areas rationally appropriate and desirable for exclusive use. For example, but not by way of limitation, the pool deck.

12.9. NUISANCES PROHIBITED — No person shall engage in any practice, exhibit any behavior nor permit any condition to exist that will constitute a nuisance or become a reasonable source of annoyance or disturbance to any occupant of the Condominium.

13. **LEASE, CONVEYANCE, DISPOSITION** — The purpose and object of this Section is to maintain a single-family oriented atmosphere with the residents and other users living in compatible coexistence with other financially responsible persons who are of like-mind and acceptable both in character and comportment. This objective is considered to be both important and justified because of the necessity of sharing facilities and because of the large personal financial investment of each owner. Therefore, the lease, conveyance, disposal and financing of the units by owners (subject to the exceptions provided in Section 18.1) shall be subject to the following provisions:

13.1. ASSOCIATION APPROVAL REQUIRED — Except for Developer sales no owner may sell, lease, give or otherwise transfer ownership of a unit or any interest therein in any manner without the prior written approval of the Association. The approval shall be a written instrument in recordable form (except for leases) which shall include, without limitation, the nature of the transfer (sale, lease, etc.), the parties to the transaction (sellers, purchasers, etc.), the unit number, the name of the Condominium and the Official Record Book (O. R. Book) and Page numbers in which this Declaration was originally recorded. For all unit transfers of title other than from the Developer, the approval must be recorded simultaneously in the Flagler County, Florida Public Records with the Deed or other instrument transferring title to the unit.

13.1.1. DEVISE OR INHERITANCE — If any unit owner shall acquire title by devise or inheritance or in any other manner not heretofore considered, the continuance of his ownership shall be subject to the approval of the Association. Such owner shall give the Association notice of the acquisition of his title together with such additional information concerning the unit owner as the Association may reasonably require together with a copy of the instrument evidencing the owner's title. If such notice is not given, the Association at any time after receiving knowledge of such transfer, may approve or disapprove the transfer of ownership.

13.1.2. LEASES — Approvals of leases need not be recorded. Only entire units may be leased. All leases must provide, and if they do not, shall be deemed to provide the agreement of the lessee(s) to abide by all of the Covenants of the Condominium and Neighborhood Associations' documents and that a violation of the documents is a material breach of the lease and is grounds for damages, termination and eviction and that the lessee and the owner agree that the Association may proceed directly against such lessee(s) and that the lessee(s) shall be responsible for the Association's costs and expenses, including attorney's fees, at all trial and appellate levels. If such costs and fees are not immediately paid by the lessee(s), the unit owner shall pay them and such funds shall be secured as a charge. Each unit owner irrevocably appoints the Association as owner's agent authorized to bring actions in owner's name and at owner's expense including injunction, damages, termination and eviction. The rules and regulations must be provided to the lessee(s) by or on the behalf of the unit owner at or before the commencement of the lease term. The minimum leasing period is 30 days and no unit may be leased more than four (4) times per calendar year, unless made more restrictive by the Board.

13.1.3. MULTIPLE OWNERS — Consistent with Section 13 above, de facto time sharing of residential units is not permitted and approval will not be given for the sale of a unit or an interest in a unit to multiple persons such as (e.g. siblings or business associates), who may intend that they and their families would split occupancy of the unit into different time periods during the year;

13.2. APPROVAL PROCEDURE — The approval of the Association shall be obtained as follows:

13.2.1. WRITTEN NOTICE — Not later than 15 days before the transfer of ownership occurs, or the first day of occupancy under a lease, legal written notice shall be given the Association by the owner of his intention to sell or transfer his interest in any fashion. The notice shall include the name and address of the proposed acquirer and a correct and complete copy

of the proposed documents to be executed to effectuate the transaction. The Association may require such other and further information as it deems reasonably necessary and may impose a transfer fee not to exceed \$100.00 or as permitted by law from time to time.

13.2.2. ASSOCIATION'S OPTIONS — The Association must, within 15 days after receipt of all the information required above, either approve, disapprove for cause, or, except in the case of disapproval for cause, upon the written demand of the owner, furnish an alternate purchaser it approves or the Association may itself elect to purchase, and the owner must sell to such alternate or to the Association upon the same terms set forth in the proposal given the Association or the owner may withdraw his proposed sale. In exercising its power of disapproval the Association must act in a manner that is neither arbitrary nor unlawfully discriminatory and withhold approval only for a reason or reasons rationally related to the protection, preservation and proper operation of the Condominium and the purposes as set forth at the beginning of this Section 13. If the Association fails or refuses within the allotted time to notify the owner of either approval or disapproval in writing, or if it fails to provide an alternate purchaser or make an election to purchase the unit itself when required to do so, then the Association shall conclusively be presumed to have approved the transaction, and the Association shall, upon demand, provide a recordable certificate of approval;

13.2.3. CLOSING DATE — The sale shall be closed within 60 days after an alternate purchaser has been furnished or the Association has elected to purchase;

13.2.4. NOTICE OF DISAPPROVAL — If the Association disapproves the proposed transaction (subject to the qualifications contained in Section 13.2.2.) notice of disapproval shall be promptly sent in writing to the owner or interest holder, and the transaction shall not be made. The Association need not approve a proposed lease until such time as all unpaid assessments and all court costs and attorneys fees (if any) incurred by the Association and due and

owing for the unit at the time approval is sought have been paid. Other appropriate grounds for disapproval are as follows:

1. The unit owner has a history of leasing his unit without obtaining approval, or leasing to troublesome lessees and/or refusing to control or accept responsibility for the occupancy of his unit;
2. The real estate company or rental agent handling the leasing transaction on behalf of the unit owner has a history of screening lessee applicants inadequately recommending undesirable lessees or entering into leases without prior Association approval;
3. The application on its face indicates that the person seeking approval intends to conduct himself in a manner inconsistent with the covenants and restriction applicable to the Condominium and the Porto Mar Neighborhood.
4. The prospective lessee has been convicted of a felony involving violence to persons or property, a felony involving sale or possession of a controlled substance, or a felony demonstrating dishonesty or moral turpitude;
5. The prospective lessee has a history of conduct which evidences disregard for the rights and property of others;
6. The prospective lessee evidences a strong possibility of financial irresponsibility;
7. The prospective lessee, during previous occupancy in this Condominium or elsewhere, has evidenced an attitude of disregard for the Association rules.

13.3. JUDICIAL SALES — are exempt from this Section.

13.4. UNAPPROVED TRANSACTIONS — Any transaction which is not approved pursuant to the terms of this Déclaration shall be void unless subsequently approved by the Association.

14. **COMPLIANCE AND DEFAULT** — Each unit owner, each tenant and other invitee shall be governed by, and shall comply with the provisions of, the Condominium Act as amended from time to time, this Declaration, including its exhibits, the Association Articles of Incorporation and the Association By-laws.

14.1. **REMEDIES** — Failure to comply shall be grounds for relief, which relief may include, but shall not be limited to, an action to recover damages or injunctive relief or both. Actions may be maintained by the Association or by any unit owner.

14.2. **COSTS AND FEES** — In any such proceeding, including appeals, the prevailing party shall be entitled to recover the costs of the proceeding and reasonable attorney fees.

14.3. **OWNER INQUIRIES** — When a unit owner files a written inquiry by certified mail with the Board of Directors, the Board shall respond in writing to the unit owner within 30 days of the receipt of the inquiry. The Board's response shall either give a substantive response, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the Bureau of Standards and Registration. If the Board requests advice from the Bureau of Standards and Registration, the Board shall, within 10 days of receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within 60 days of the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to provide a substantive response as above set forth precludes the Association from recovering attorney's fees and costs in any subsequent litigation, administrative proceedings, or arbitration arising out of the inquiry. If unresolved, a dispute as defined in *F.S. 718.1255(1)* must be arbitrated in mandatory non-binding arbitration proceedings prior to commencing litigation. The Board of Directors may adopt reasonable rules and regulations governing the frequency and manner of responding to unit owner inquiries, including a limit of one unit owner inquiry in any 30 day period.

14.4. **NO WAIVER OF RIGHTS** — The failure of the Association or any owner to enforce any covenant, restriction or other provision of the Condominium Documents shall not constitute a waiver of the right to do so thereafter as to subsequent or other instances.

15. **AMENDMENTS** — Amendments to any of the Condominium documents shall be in accordance with the following:

15.1. **REQUIREMENTS** — An Amendment may be proposed either by the Board of Directors or by 25% of the voting interests of the Association, and may be considered at any meeting of the owners, regular or special, of which due notice has been given according to the By-Laws, which notice includes notice of the substance of the proposed amendment. Passage shall be evidenced by a certificate executed in recordable form signed by the President or Vice President of the Association that it has been enacted by the affirmative vote of the required percentage of the voting interests, and the separate written joinder of mortgagees where required and shall include the recording data identifying the location of the Declaration as originally recorded and which shall become effective when recorded in the public records;

15.2. **CORRECTORY AMENDMENT** — Whenever it shall appear that there is a defect, error or omission in any of the Condominium documents or in order to comply with applicable laws or requirements of government entities, the amendment may be adopted by the Board of Directors alone;

15.3. **REGULAR AMENDMENTS** — Amendments may be enacted by a favorable vote of the owners of two thirds of the voting interests in the Association;

15.4. **MERGER AMENDMENT** — In the event that this Condominium should desire to merge with one or more other condominiums within the Porto Mar Neighborhood it may do so upon the affirmative vote of 75% of the voting interests in each Condominium and the approval of all record owners of liens;

15.5. DEVELOPER AMENDMENTS — Until relinquishment of Developer control of the Association (Turnover) and except as otherwise provided by law in F.S. 718.110(2), the Developer specifically reserves the right, without the joinder of any person, to make such amendments to the Declaration and its exhibits or to the plan of development, as may be required by any lender, governmental authority or as may be, in its judgment, necessary or desirable. This paragraph shall take precedence over any other provision of the Declaration or its exhibits.

15.6. MORTGAGEE CONSENT — Amendments materially affecting the rights or interests of mortgagees must have the consent of the holders of institutional first mortgages of record representing 51% of the votes of units subject to such mortgages who have requested the Association to notify them on any proposed action specified in this Section. Such consent shall not be unreasonably withheld. Implied consent shall be assumed when such holder fails to respond to any written request for consent within 30 days after the mortgage holder receives proper notice of the proposal provided the notice was delivered certified or registered mail, with a "Return Receipt" requested. In the event that mortgagee consent is provided other than by properly recorded joinder, such consent shall be evidenced by affidavit of the Association and recorded in the Public Records of Flagler County, Florida. A change to any of the following shall be considered as material:

- any change in the proportion or percentage by which the owner of the unit shares the common expenses and owns the common surplus.
- reallocation of interests or use rights in the common elements;
- redefinition of any unit boundaries;
- convertibility of units into common elements or vice versa;
- expansion or contraction of the Condominium;

BOOK 1063 PAGE 1331

15.7. **DEVELOPER'S RIGHTS** — No amendment to this Declaration or any of the Condominium documents shall change the rights and privileges of the Developer without the Developer's written approval so long as the Developer holds any units for sale in the ordinary course of business;

15.8. **WRITTEN AGREEMENTS** — Any approval of unit owners on any matter called for by this Declaration, its Exhibits or any statute to be taken at a meeting of unit owners is hereby expressly allowed to be taken instead by written agreement, without a meeting (which agreement may be in counterparts), subject to F.S. 718.112(2)(d)(4) and F.S. 617.0701.

16. **TERMINATION** — Except for termination in connection with a merger of the Condominium with another, as provided for in Section 15.4. above, the termination of the Condominium shall be carried out in accordance with the following:

16.1. **BY AGREEMENT** — The Condominium may be caused to be terminated at any time by written agreement of the owners of at least eighty percent of the units (28 units), and of the holders of institutional first mortgages as provided for in Section 15.6. above.

16.2. **WITHOUT AGREEMENT, ON ACCOUNT OF VERY SUBSTANTIAL DAMAGE** — If the Condominium suffers "very substantial damage" to the extent defined in Section 11.2.3. above, and it is not decided as therein provided that the Condominium will be reconstructed or repaired, the condominium form of ownership of the property in this Condominium will be terminated.

16.3. **PROCESS OF TERMINATION** — Termination of the Condominium occurs when a Certificate of Termination meeting the requirements of this Section is recorded in the Public Records of Flagler County, Florida.

16.3.1. The termination of the Condominium by either of the foregoing methods shall be evidenced by a Certificate of Termination, executed by the President or Vice-President with the formalities of a deed, and certifying as to the facts effecting the termination. The

Certificate shall also include the name and address of a Florida financial institution with trust powers, or a licensed Florida attorney, who is designated by the Association to act as Termination Trustee, and shall be signed by the Trustee indicating willingness to serve in that capacity.

16.3.2. The recording of that Certificate of Termination automatically divests the Association of title to all Association property, and divests all unit owners of legal title to their respective Condominium parcels, and vests legal title in the Termination Trustee named in the Certificate of Termination, to all real and personal property which was formerly the Condominium Property or Association property, without need for further conveyance. Beneficial title to the former Condominium and Association property shall be transferred to the former unit owners as tenants in common, in undivided shares as determined in 16.3.3 below. Each lien encumbering a Condominium parcel shall be automatically transferred to the equitable interest in the former Condominium Property and Association property attributable to the unit encumbered by the lien, with the same priority.

16.3.3. The beneficial interest of the former owner shall be a fraction, the numerator of which is the assessed value for ad valorem taxation of the former owner's parcel immediately prior to the termination without reduction for Homestead or other exemptions not common to all such parcels in the Condominium (if any) and the denominator of which shall be the total assessed value of all the parcels.

16.4. **WIND-UP OF ASSOCIATION AFFAIRS** — The termination of the Condominium does not, by itself, terminate the Association. The former unit owners and their successors and assigns shall continue to be members of the Association, and the members of the Board of Directors and the officers of the Association shall continue to have the powers granted in this Declaration, and in the Articles of Incorporation and By-laws, to the extent necessary to, and for the sole purpose of, winding up the affairs of the Association in accordance with this Section.

16.5. TRUSTEE'S POWERS AND DUTIES — The Termination Trustee shall hold legal title to the property for the benefit of the former unit owners and their successors, assigns, heirs, devisees, mortgagees and other lien holders, as their interests shall appear. If the former unit owners approve a sale of the property as provided in this Section, the Termination Trustee shall have the power and authority to convey title to the purchaser, and to distribute the proceeds in accordance with the provisions of this Section. The Termination Trustee may charge a reasonable fee for acting in such capacity, and such fee as well as all costs and expenses incurred by the Termination Trustee in the performance of its duties, shall be paid by the Association or taken from the proceeds of the sale of the former Condominium and Association property, and shall constitute a lien on the property superior to any other lien. The Trustee shall be entitled to indemnification by the Association from any and all liabilities and costs incurred by virtue of acting as Termination Trustee unless such liabilities are the result of gross negligence or malfeasance. The Termination Trustee may rely upon the written instructions and information provided to it by the officers, Directors and agents of the Association, and shall not be required to inquire beyond such information and instructions.

16.6. PARTITION; SALE — Following termination, the former Condominium Property and Association property may be partitioned and sold upon the application of any unit owner. If following a termination, at least seventy-five percent (75%) of the voting interests agree to accept an offer for the sale of the property, the Board of Directors shall notify the Termination Trustee, and the Trustee shall complete the transaction. In that event, any action for partition of the property shall be held in abeyance pending the sale, and upon the consummation of the sale shall be discontinued by all parties thereto. If the unit owners have not authorized a sale of the former Condominium and Association property within 1 year after the recording of the Certificate of Termination, the Trustee may proceed to sell the property without agreement by the Association or the former unit owners. The net proceeds of the sale of any of the property or assets of the

Association shall be distributed by the Termination Trustee to the beneficial owners thereof, as their interests shall appear.

16.7. **NEW CONDOMINIUM** — The termination of the Condominium does not bar creation of another Condominium including all or any portion of the property.

16.8. **PROVISIONS SURVIVE TERMINATION** — The provisions of this Section 16 are covenants running with the land, and shall survive the termination of the Condominium until all matters covered by those provisions have been completed. The Board of Directors shall continue to function in accordance with the By-laws and Articles of Incorporation, and shall have the power to levy assessments to pay the costs and expenses of the Trustee and of maintaining the property until it is sold. The costs of termination, the fees and expenses of the Termination Trustee, as well as post-termination costs of maintaining the former Condominium Property, are common expenses, the payment of which shall be secured by a lien on the beneficial interest owned by each former unit owner, which to the maximum extent permitted by law, shall be superior to, and take priority over, all other liens.

17. **PROVISIONS PERTAINING TO THE DEVELOPER** — So long as the Developer holds any unit for sale in the ordinary course of business, none of the following actions may be taken without approval in writing by the Developer:

17.1. Assessment of the Developer as a unit owner for capital improvements.

17.2. Any action by the Association that would be detrimental to the sale of units or the completion of the project by the Developer including such use of unsold units and common elements and Association property as may facilitate completion, sale, maintenance of a sales office, showing of the property and display of signs.

18. RIGHTS OF MORTGAGEES:

18.1. PARTIAL EXCUSAL FROM PRIOR ASSESSMENTS — A first mortgagee who acquires title to a unit by purchase at a foreclosure sale, or by deed in lieu of foreclosure is liable for the unpaid assessments that became due prior to the mortgagee's receipt of the deed, but in no event shall the mortgagee be liable for more than 6 months of the unit's unpaid common expenses or assessments accrued before the acquisition of the title to the unit by the mortgagee or 1 percent of the original mortgage debt, whichever amount is less. This provision shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action. Such mortgagee may obtain title, own, occupy, lease, sell or otherwise dispose of such unit without the approval of the Association. This Section shall be deemed amended so as to remain in conformity with the provisions of F.S. 718.116 as it is amended from time to time.

18.2. RIGHTS TO INFORMATION — Upon receipt by the Association from any institutional mortgagee, Guarantor or Insurer of a copy of the mortgage held by such mortgagee, Guarantor or Insurer on a Unit, together with a written request from such mortgagee or an Insurer or Guarantor of such mortgagee specifying the address to which the following items are to be sent, the Association shall timely send to such mortgagee, Insurer or Guarantor the following, and for which the Association may charge a reasonable fee:

18.2.1. FINANCIAL STATEMENTS — A copy of a financial statement of the Association for the immediately preceding fiscal year; and

18.2.2. INSURANCE CANCELLATION — Written notice of the cancellation or termination by the Association of any policies of insurance covering the Condominium or Association property or any improvements thereon, or any fidelity bonds of the Association except when the reason for the termination or cancellation of the insurance policy or bond is to change insurance companies or because the policy or bond is not needed or is not available; and

18.2.3. **DAMAGE TO CONDOMINIUM** — Written notice of any damage or destruction to the improvements located on the Common Elements or Association property which affects a material portion of the common elements or Association property or the unit securing its mortgage; and

18.2.4. **EMINENT DOMAIN** — Written notice of a condemnation or eminent domain proceeding affecting a material portion of the Condominium Property or the unit securing its mortgage; and

18.2.5. **DELINQUENT ASSESSMENTS** — Written notice of failure by the Owner of a Unit encumbered by a first mortgage held by such institutional mortgagee, Guarantor or Insurer to pay any Assessments when such failure or delinquency has continued for a period of sixty (60) days or longer.

18.2.6. **FAILURE TO NOTIFY** — The failure of the Association to send any such notice to any such mortgagee, Guarantor or Insurer shall have no effect on any meeting, action or thing which was to have been the subject of such notice nor affect the validity thereof and shall not be the basis for liability on the part of the Association.

19. ENFORCEMENT OF ASSESSMENT LIENS — Liens for assessments may be foreclosed by suit brought in the name of the Association in the same manner as a foreclosure of a mortgage on real property and the Association may also bring an action to recover a money judgment. After a judgment of foreclosure has been entered the unit owner during his occupancy, if so ordered by the Court, shall be required to pay a reasonable rental. If the unit is rented or leased during the pendency of a foreclosure action, the Association shall be entitled to the appointment of a receiver to collect the rent. The Association shall have all the powers provided in F.S. 718.116 and shall be entitled to collect interest at the highest lawful rate (currently 18% per annum) on unpaid assessments and reasonable attorneys' fees, including appeals, and costs incident to the collection of such assessment or enforcement of such lien, with or without suit.

19.1. CREATION AND ENFORCEMENT OF CHARGES — The Association shall have a cause of action against unit owners to secure payment to the Association by unit owners of all charges, costs and expenses to the Association which cannot be secured as assessments, regular or special, under F. S. 718.116. The charge shall bear interest at the highest lawful rate, and shall carry with it costs and attorney's fees, including appeals, incurred in collection.

20. ASSOCIATION AGREEMENTS — The Association is authorized to enter into agreements to acquire leaseholds, memberships, and other possessory or use interest in lands or facilities such as country clubs, golf courses, marinas, and other facilities. Such interests need not be contiguous to the lands of the Condominium if they are intended to provide enjoyment, recreation, or other use or benefit to the unit owners.

21. COMMON EXPENSES AND COMMON SURPLUS — Each unit's share shall be the share of the whole as set forth in Paragraph 7.1.

22. CONDEMNATION:

22.1. DEPOSIT OF AWARDS WITH ASSOCIATION — The taking of all or any part of the Condominium Property by condemnation or eminent domain shall be deemed to be a casualty to the portion taken and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty. Even though the awards may be payable to unit owners, the unit owners shall deposit the awards with the Association; and if any fail to do so, a special charge shall be made against a defaulting unit owner in the amount of his award, or the amount of that award shall be set off against any sums payable to that owner.

22.2. DETERMINATION WHETHER TO CONTINUE CONDOMINIUM — Whether the Condominium will be continued after condemnation will be determined in the manner provided in Section 11 above for determining whether damaged property will be reconstructed and repaired after a casualty.

22.3. DISBURSEMENT OF FUNDS — If the Condominium is terminated after condemnation, the proceeds of all awards and special assessments will be deemed to be Condominium Property and shall be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the owners of condemned units, if any, will be paid the fair market value of their unit as provided in 22.6.1 below, and any property damaged by the taking will be made usable in the manner provided below. Proceeds of awards and special charges shall be used for these purposes and shall be disbursed in the manner provided for disbursements of funds after a casualty.

22.4. ASSOCIATION AS AGENT — The Association is hereby irrevocably appointed as each unit owner's attorney-in-fact for purposes of negotiating or litigating with the condemning authority for the purpose of realizing just compensation for the taking.

22.5. UNITS REDUCED BUT TENANTABLE — If the taking reduces the size of a unit and the remaining portion of the unit can be made tenantable, the awards for the taking of a portion of that unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

22.5.1. RESTORATION OF UNIT — The unit shall be made tenantable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be paid by the owner of the unit;

22.5.2. DISTRIBUTION OF SURPLUS — The balance of the award, if any, shall be distributed to the owner of the unit and to each mortgagee of the unit, the remittance being made payable jointly to the owner and mortgagees.

22.6. UNIT MADE UNTENANTABLE — If the taking is of any entire unit or so reduces the size of a unit that it cannot be made tenatable, the award for the taking of the unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

22.6.1. PAYMENT OF AWARD — The fair market value of the unit immediately prior to the taking, as determined by agreement between the unit owner and the Association or by arbitration in accordance with Section 22.6.4. following, shall be paid to the owner of the unit and to each mortgagee of the unit, the remittance being made payable jointly to the owner and the mortgagee(s);

22.6.2. ADDITION TO COMMON ELEMENTS — If possible and practical, the remaining portion of the unit shall become a part of the common elements and shall be placed in condition for use by all unit owners in the manner approved by the Board of Directors;

22.6.3. ADJUSTMENT OF SHARES IN COMMON ELEMENTS — The shares in the common elements appurtenant to the units that continue as part of the Condominium shall be adjusted to distribute the ownership of the common elements equally among the reduced number of unit owners. This shall be done by restating the fractions of continuing unit owners in the common elements as fractions of the total remaining units.

22.6.4. ARBITRATION — If the fair market value of a unit prior to the taking cannot be determined by agreement between the unit owner and the Association within thirty (30) days after notice by either party, the value shall be determined by appraisal in accordance with the following. The unit owner, the first mortgagee, if any, and the Association shall each appoint one M.A.I. appraiser, who shall appraise the unit and shall determine the fair market value by computing the arithmetic average of their appraisals of the unit. A judgment of specific performance upon the value arrived at by the appraisers may be entered in any court of competent jurisdiction. The cost of appraisals shall be paid by the party selecting the appraiser.

22.7. TAKING OF COMMON ELEMENTS — Awards for the taking of common elements shall be used to make the remaining portion of the common elements useable in the manner approved by the Board of Directors. The balance of such awards, if any, shall be distributed to the unit owners in the shares in which they own the common elements after adjustment of these shares on account of the condemnation. If a unit is mortgaged, the remittance shall be paid jointly to the owner and mortgagee(s) of the unit.

22.8. AMENDMENT OF DECLARATION — Changes in the units, in the common elements and in the ownership of the common elements that are necessitated by condemnation, shall be evidenced by an amendment of the Declaration of Condominium as ordered by a court or approved by a majority of unit owners (voting interests) of this Condominium, without the consent of any mortgagee being required for any such amendment.

23. VOTING — Each unit shall have one full indivisible vote in all matters.

24. FUTURE DEVELOPMENT EASEMENTS — Developer, for itself and its successors and assigns, reserves easements over the Condominium Property as necessary to complete future development, if any, including, but not limited to construction access and utilities.

25. ASSOCIATION MEMBERSHIPS AND OBLIGATIONS —

25.1 MASTER ASSOCIATION — The Condominium exists within the larger Hammock Dunes planned community which is administered by the Master Association pursuant to the Master Declaration. Consequently, Unit Owners are members of, subject to, and are required to pay assessments to the Master Association. Voting by unit owners is as provided for in those documents.

25.2. NEIGHBORHOOD ASSOCIATION — The Condominium lies within the Porto Mar Neighborhood which is administered by the Neighborhood Association. The Neighborhood Association will own and administer the common areas of the Porto Mar Neighborhood and the Porto Mar Amenities Unit in the Condominium building pursuant to the

Porto Mar Declaration. Voting by unit owners will be as provided for in those documents. Unit Owners are members of, subject to, and must pay assessments to the Neighborhood Association. If requested by the Neighborhood Association, the Association shall collect from unit owners the assessments due and owing to the Neighborhood Association and shall remit the same to the Neighborhood Association.

26. **USE OF THE PORTO MAR AMENITIES UNIT** — The Porto Mar Amenities Unit is to be owned and operated by the Neighborhood Association for the use and benefit of the residents and guests of all three of the proposed condominiums that may be located within the Porto Mar Neighborhood. Initial rules governing the scope, hours, days and conditions of use shall be established and determined from time to time by the Developer, which rules may (after turnover of the neighborhood association) be waived or relaxed by the Board of Directors of the Neighborhood Association in its discretion. Users of the Porto Mar Amenities Unit who are not residents of the Condominium shall have the right to proceed to the administration office using the main entrance of the Condominium Building, but do not have the right to be in other areas of the Condominium Building unless invited as guests of residents of the Condominium; such persons may also have access to use the theatre room upon approval of the Neighborhood Association to conduct Association business. This Section of the Declaration cannot be amended without the prior written approval of the Porto Mar Neighborhood Board of Directors.

27. **SEVERABILITY AND NON-WAIVER** — If any provision of this Declaration or its exhibits as now constituted or as later amended or any section, sentence, clause, phrase or word, or the application thereof in any circumstances is held invalid, the validity of the remainder and of the application of any such provision, section, sentence, clause, phrase or word in other circumstances shall not be affected thereby. The failure of the Association or the Declarant in any instance, to enforce any covenant or provision of this Declaration or any of the Condominium Documents shall not constitute a waiver of its right to do so thereafter in other instances.
